## Use likely for all 3 schools being closed

When the Granite City Board of Education decided this spring to close the Stallings, McKinley and Washington elementary schools, some speculated that the three sites would be abandoned or put to some type of insignificant use. Instead, it now appears that all three may be utilized productively.

The Belleville Area College board decided Thursday night to give a "green light" to the establishment of a daytime instructional program in Granite City. Preliminary talks already have taken place, and further discussions are planned between BAC President William Keel and School Supt. B. J. Davis.

First choice of BAC officials for the classroom center is McKinley School, situated on Madison Avenue and a former high school and junior high school. However, St. Elizabeth Medical Center also is believed likely to show strong interest in McKinley due to its location adjacent to the hospital complex.

Competitive bidding is planned. If the hospital were to succeed in acquiring McKinley School, it is thought possible that BAC might consider setting up its program at Washington, which has improved access to the entire Quad-City area thanks to the extension of Illinois Route Three (Great River Road).

The West Granite City site of Washington School can be reached from the highway's West 20th Street connection, and thus is convenient to wide areas of Venice, Madison, Granite City, Pontoon Beach and Mitchell.

Stallings School, considered less than ideal as a school because of its

## City ambulances average over 10 calls daily in first 2 years

By GARY SCHNEIDER

Press-Record Staff Writer  
During its first two years in operation, the Granite City Ambulance Service has made 7,497 runs and has billed \$457,406, according to a report given to Granite City aldermen at the last city council meeting.

The report shows that of the amount owed, \$168,376 is in billing, collection or insurance processing.  
Illinois Public Aid cases comprise quite a bit of the financial losses, since the state refuses to pay ambulance bills in full. When the ambulance service

started, the average in-city ambulance bill was \$50, while Public Aid would pay only an average of \$30 to \$35 per trip.

In mid-1978, however, Public Aid increased its payment to about \$40 for in-city ambulance runs, easing the financial loss to the city. In the first quarter of this year, for example, of \$9,805 billed to Public Aid, only \$619 has been written-off as exceeding what the state will pay, the report indicates.

Of \$95,082 billed to Medicare, \$46,164 has been collected and \$48,897 Medicare bills are pending.  
Since the ambulance service began two years ago, a total of \$66,283 has been written off as uncollectable, including the Public Aid loss. However, through the use of AAA Credit Service and other billing practices, \$43,185 of the "written-off" accounts have been collected.

While ambulance runs outside of the Granite City limits account for only one-third of all runs made (243 of 730 in the first quarter of this year), 45 percent of the unpaid bills come from the cities, village and townships served by the city ambulances.

Granite City Attorney Lance Callis has issued a legal opinion that service outside of the city limits should be cut off, unless the bills are paid in full, because it would be illegal for the taxpayers of Granite City to subsidize ambulance service costs for those who do not pay city taxes.

## Killed in cycle crash

Mrs. Rebecca P. (Tidwell) Monan, 27, of 1602 Poplar St., was killed in a motorcycle accident at 2:20 a.m. Friday.

She was a passenger on a cycle driven by Donald Coggins, 32, 2710 Denver St., who is in serious condition in St. Mary's Hospital, East St. Louis. Coggins was apparently westbound on Interstate 64, at the intersection of Interstates 55 and 70, on an entrance ramp when he lost control of the motorcycle. The cycle hit a guardrail and skidded for about 60 feet.

She was born in Carbon Hill, Mo., and had lived here for the past 25 years.

She is survived by: one son, James M. Monan IV, age 10 and one daughter, Tina Marie Monan, age 8, both living at home.

Other survivors include: two brothers, Leroy Tidwell of Independence, Mo., and Robert Tidwell of Kansas City, Mo.; one sister, Miss Debra Faye Tidwell of Granite City; her parents, Mr. and Mrs. Euther (Geneva) Tidwell of Granite City; and

her grandfather, "Doc" Tidwell of Carbon Hill, Ala.  
Funeral arrangements are listed in today's obituary column.

## Japan trip revives hopes of auto plant

A Datsun auto assembly plant in the Quad-City area? It would do a lot for the local economy, and the idea is back in the news.

Governor James R. Thompson announced Friday he and a delegation of state, labor and business leaders will visit Japan next month to encourage Japanese firms to build new plants in Illinois.

The governor said, "New business means new jobs. And new jobs mean a more prosperous economy. An improved economy means a better place for every resident of Illinois to live and work."

The governor's staff said that because of the sensitive nature of the negotiations, details and information regarding the firms involved cannot be divulged at this time.

However, sources indicated that one stop during the trip is likely to be at

Nissan Motor Co. Ltd., manufacturer of Datsun autos.

State and regional development officials have said in recent months that there was interest in establishing a Datsun plant in the U. S. due to economic and trade factors. Of five sites on the final list, two were in the vicinity of Interstate Route 270 and Illinois Route Three in the local community.

The group includes Robert S. Ingersoll, former U. S. ambassador to Japan and now deputy chairman of the board of trustees of the University of Chicago. It will leave May 18 and return May 24.

The proposed plant would cost \$400 million or more and might employ 2,500 to 3,000. Among the sites visited by Japanese last November were two tracts here of more than 400 acres each.

## Bread, steel hauler strikes

By VALERIE EVENDEN

Press-Record Staff Writer  
Production is at near normal at Granite City Steel Division of National Steel Corp., although some delays are being experienced in shipments of steel by truck, a spokesman for the local steel plant said today.

With bread truck drivers going on strike in the St. Louis metropolitan area on Saturday, supplies of bread were reported to be adequate to slim in various local stores.

Teamsters Locals 688, 50 and 525 went on strike against the American, Colonial, Continental and Dolly Madison bakeries after talks bogged down Friday.

The steel industry began laying off workers late last week because of a strike by steel hauling Teamsters, most

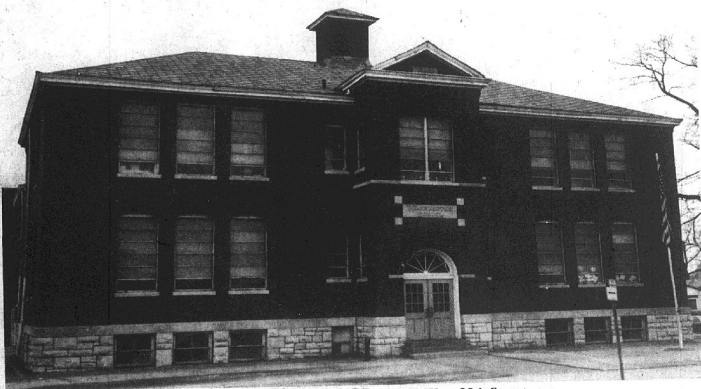

of whom own their own trucks unlike the vast majority of the 30,000 Teamsters who were affected by the national contract and returned to work earlier this month.

The steel shipment delays are being noted in certain geographic areas, the GCS spokesman noted, adding that alternate means of transportation are being utilized to keep shipments rolling. "Our traffic people are keeping an eye on what is happening and are continuing to assess the situation," he advised.

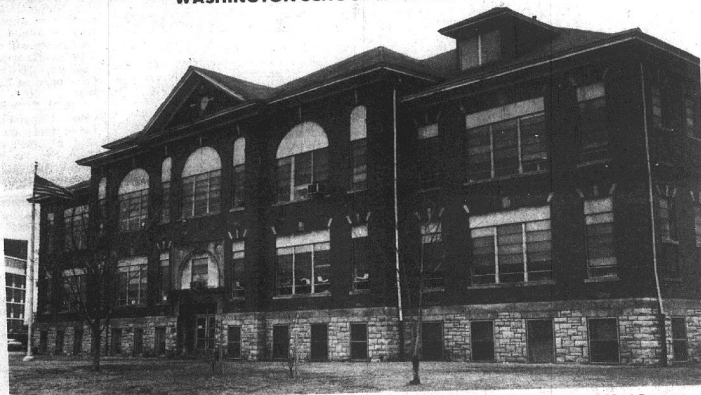

It is understood the steel haulers strike is causing serious cutbacks at National Steel's Weirton (W. Va.) plant, where 3,000 employees are to be laid off this week.

Also affected is National Steel's

**MORRIS QUADRANGLE DEDICATED.** Climaxing the three-part dedication of the Delyte W. Morris Quadrangle at Southern Illinois University at Edwardsville was the unveiling of a 24-inch medallion (shown in foreground). Mrs. Morris, wife of the man who served as president of SIU from 1948 to 1970,

expressed her own pride in the man to whom she has been married for 50 years. Behind Mrs. Morris (left to right) are Arthur Boeker, Edwardsville; Mrs. Boeker; Harold R. Fischer of Granite City, past president of the SIU Board of Trustees and of the SIUE Foundation; and Peter Morris, elder son of Mr. and Mrs. Morris.

## Gasohol aiding mileage—engine maintenance

Illinois Bell last week announced that preliminary results of its gasohol trial in Peoria indicate the fuel improves mileage and offers potential savings in engine maintenance costs. The company began testing gasohol in 15 company vehicles in January. Based on a three-month comparison with 15 control vehicles using regular gasoline, the vehicle using gasohol averaged 4.48 percent better mileage.

"Our monthly maintenance review of the vehicles also indicates some savings in engine maintenance with the cleaner burning gasohol," said Ron Aldridge, Illinois Bell's manager of automotive services. "We also found that gasohol virtually eliminated gas line freezing problems during the winter months."

The first Bell System company to test the product. The company is using fuel blended from 90 percent unleaded gasoline and 10 percent alcohol. The Alcohol (technically called ethanol) is derived primarily from Illinois' agricultural products. "If the test results continue to be favorable," Aldridge said, "we will probably expand the use of gasohol to other locations in Illinois where gasohol is available."

Illinois Bell began the test in January to determine if gasohol would result in improved mileage, maintenance costs. "We regularly test various products to run our business more economically," Aldridge said. "We think that Gasohol, if it performs as some claim, might mean

longer life for engines, cleaner operation and a reduction in tuneups and other maintenance costs. "Anything we can do to keep down our costs helps us keep down the cost of telephone service for our customers." Aldridge pointed out that Alexander Graham Bell recognized the possibilities of alcohol as a fuel more than 60 years ago. In a 1917 speech in which he noted that coal and oil were limited resources, Bell said: "Alcohol makes a beautifully clean and efficient fuel. We need never fear exhaustion of our present fuel supplies as long as we can produce an annual crop of alcohol to any extent desired."

## Springfield tour for sr. citizens

The Tri-City Area YMCA and the Southwestern Illinois Area Agency on Aging are sponsoring a one-day tour to Springfield, Ill., Thursday, May 3. This tour is open to all Quad-City community senior citizens. The trip will include a tour of the Lincoln home, tour of the governor's mansion, lunch, and a visit to the village of New Salem. One bus holding 47 passengers will leave the First Presbyterian Church at 22nd Street and Delmar Avenue at 8 a.m. on May 3 and return to that parking lot by 5 p.m. that day.

Transportation will be provided by the YMCA, with participants paying \$3 at the time of registration for a smorgasbord meal at the Heritage House in Springfield. Registration will be on a first come, first serve basis — in person only — at the RSVP Office located at the 20th Street entrance of the YMCA. Registration will be accepted beginning Tuesday, April 24, with additional information available by calling 876-3223.

## Scouts remember camp benefactor

By MICK STRANGE

Press-Record Staff Writer  
 Over 15,000 local Boy Scouts who have attended Camp Sunnen since it opened in 1953 have lost a friend whom most of them had never met.

Joseph Sunnen, 81, St. Louis area industrialist, died this month at the Clayton House Nursing Home. Mr. Sunnen gave the Cahokia Mound Scout Council the land near Potosi, Mo., on the southeast part of Lake Sunnen, which has been developed into one of the leading Boy Scout camps in the nation, Camp Sunnen.

Representing the local Boy Scout Council at the funeral services held April 14 in Ladue Chapel of the United Presbyterian Church were Henry D. Karandjeff, George Rollin Henn, Donald Stucke and Carl Paschoff.

Karandjeff became chairman of the camp search committee in 1950, as the local Boy Scouts were without a summer camp.

Mr. Sunnen and Karandjeff had lunch in April of 1951 at the Missouri Athletic Club and Mr. Sunnen was informed that Boy Scouts on this side of the river needed property for a camp.

Operation of Camp Sunnen began during the summer of

1953 and 442 Boy Scouts and 27 leaders attended the first season.

A plaque honoring Mr. Sunnen's 370-acre gift of land was dedicated on Sunday, April 23, 1958.

The plaque is embedded in a stone pillar surrounded by flowers near the entrance of Camp Sunnen.

The dedication in 1958 was attended by over 200 people including: Mr. and Mrs. Joseph Sunne, H. D. Karandjeff, Mr. and Mrs. Robert Sunne, son and daughter-in-law of Mr. Sunnen, Mr. and Mrs. Richard Kallaus, son-in-law and daughter of Mr. Sunnen, Mrs. Sunnen's sister and brother-in-law, Mr. and Mrs. Oleville Mohler, and Carl E. Mathias, president of the local Boy Scout Council at the time.

The dedication prayer was given by Dr. F. H. Daniels, pastor of the Presbyterian Church of Potosi, Mo.

"Although this fine humanitarian has left our earth, his contributions to the youth of our area continue and his memory will live on," Karandjeff said this week.

Mr. Sunnen was laid to rest in Sunset Burial Park, St. Louis.

## State NOW conference will be held out-of-state

Peggy Patty, president of the Metro-East chapter of the National Organization for Women, announced today that the Illinois NOW state conference will be held June 8-10 at George Williams College, Williams Bay Campus, near Lake Geneva, Wis.

The Ill. NOW State Council voted at its last meeting that the conference would not be held in Illinois because this state has not ratified the Equal Rights Amendment. The conference, titled "More Now Than Ever," will include a general business meeting, the election of new state officers, workshops geared toward both training and issue development, professional entertainment and social activities.

Keynote speaker and several other main speakers on the program are still being scheduled but it is expected that national officers will be on the agenda as well as some state officials.

Area NOW members and other area participants are expected to attend the three-day meeting. A caravan is being planned to transport conference participants from Southern Illinois to Wisconsin.

"In a manner similar to the Suffragists who traveled the United States in caravans working for women's right to vote," a spokeswoman said. Those interested in attending the conference or who would like more information may call Norma Mendoza at 452-7395 or Peggy Patty at 288-8365.

CYCLIST INJURED  
 Michael Lemons, 14, of 4365 Highway 162, was treated at St. Elizabeth Medical Center at 6:40 p.m. Thursday after being involved in a motorcycle accident. He suffered pain to his right hip and leg. X-rays were taken and he was released.

## family dollars

There is something special about the money you save for the protection of your loved ones.

First of all, you have the right to insist that it be absolutely safe. Then you want it to earn a good return.

Protected by sound management and insured up to \$40,000, the dollars you place in our care earn the highest rate payable... by law. Right now, isn't it time you gave those family dollars the protection they deserve in an account in our Association. They're cordially invited.

## Vocal concert at South Thursday

The Vocal Music Department at Granite City High School South will present its annual Spring Concert at 8 p.m. Thursday in the auditorium at South High. The public is invited to attend and tickets cost 50 cents each.

Sacred and secular music will be featured in the performance. Participating groups will include the Advanced Mixed Chorus, Girls Glee Club, Contando and the Madrigals.

Highlighting the program will be several costumed and choreographed numbers, including the "Happy Days" and "Laverne and Shirley" theme songs, "Twentiana," a 1920 medley featuring the Charleston and "Hallelujah," "One" from

the Broadway musical, "A Chorus Line," spotlighting a tap dance; and the disco number, "Everybody Rejoice" from "The Wiz." Also on the program will be "The Water Is Wide," "Cherish," "The Name of the Game," "Hallelujah Chorus," "Times of Your Life," "Milk and Honey," "All Kinds of People," "Annie's Song," "Aquarius," "All My Trials," "Believe Me," "Oh My Love," "Sunrise, Sunset," "Pass it On," "You Light Up My Life" and "Summer Nights." The choruses are under the direction of Mrs. Mary Ann Bright, South vocal music director.

## Milton Weckman, 51, dies

Milton "Mitz" Weckman, 51, of 382 N. Illinois Ave., Belleville, died at 10:10 p.m. Friday at St. Elizabeth's Hospital, Belleville.

He was born and reared in Glen Carbon and leaves several relatives in the Granite City area.

Mr. Weckman was employed as a configuration data specialist in the Blackhawk Project by the U.S. Army in St. Louis.

He was a U.S. Air Force veteran and a member of Ainal Shrine Temple, Scottish Rite Bodies, Masonic Lodge 712, AF-AM, and St. John United Church of Christ, Fairview Heights.

Mr. Weckman is survived by his wife, Mrs. Juanita (Webb) Weckman; one son, Jeffrey Weckman, Belleville; two sisters, Mrs. Glen (Betty) Masters and Mrs. David (Marian) Hill,

both of Granite City; and three brothers, Richard Weckman of Granite City, Harold Weckman of Vichy, Mo., and Glenn Weckman of Collinsville.

Funeral services are scheduled at 2 p.m. today at St. John United Church of Christ, Fairview Heights, from a Collinsville funeral home. Burial will be in Lake View Memorial Gardens Cemetery, Belleville.

## Award of excellence to Vizer

Student journalists at Southern Illinois University at Edwardsville have received nine awards in annual Midwest regional mark of excellence competition sponsored by Sigma Delta Chi, an international society for college and professional journalists. The nine awards were the largest number received by any college or university. The region includes 13 major journalism programs, nine of which are formally accredited.

Of eight print categories, SIUE students placed first in three, as follows:

News photography: Tim Vizer, a junior from Granite City, for his coverage of a Nazi rally.

Magazine: Focus, a journalism classroom production, edited by Alice Noble.

Magazine writing: Keith Yanner, a senior for an article about a runner competing in the Daley marathon at Chicago.

The journalism program at SIUE is in its 10th year, enrolling approximately 100 majors. Instructors include Michael Killenberg, Jim Landers, Judy Landers, Bill Ward, and Rick Wilber. Ward directs the program.

A television-radio program in the department of mass communications includes about 300 majors. John Regnell is chairman of the department.

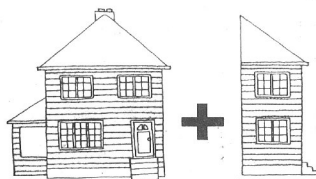

## Mitchell School carnival Thursday

Mitchell School is planning a Spring Carnival Thursday, April 26, to begin at 5 p.m. with a 10 cent a scoop potluck

supper. Chicken and dumplings will also be served, along with the dishes brought by participants.

After supper, there will be booths consisting of Beauty and the Beast, Clown Bean Bag Toss, Fish Pond, Cake

Walk, Country Store, and many more. The carnival will end with a Talent Show.

## Home Improvement Loan

# BASIC ARITHMETIC

The formula for happiness often has its roots in a house that is designed to function as a home. Proof of this theorem can be found in the degree to which your house fits the variable needs of your family and your lifestyle. We mean to postulate that although these factors are relative, they are nonetheless real.

You have the power to differentiate between the home you have and the home you need. If your home base does not fit these dimensions, come into Granite City Bank. We will help you integrate your needs and objectives into an equation for living that will give your life infinite continuity.

A home improvement loan will amount to only a fraction of your living expense; it will add to the order in your life.

Make the imaginary real with a Home Improvement Loan from Granite City Bank.

## Test your Knowledge of Math-Win a \$50 Savings Bond

Contained in this ad are a number of mathematical expressions. See if you can correctly identify all of them. Bring this ad into Granite City Bank with the expressions underlined. The first winning entry will receive a \$50 savings bond.

Judges will be the Granite City South High School math department

Contest closes Friday, May 4th.

## Automotive Division appointments announced by Smith firm's Kemp

**R. A. LeMENSE**

**PAUL SMAGLICK**

Milwaukee, Wis., and Granite City, Ill. A third plant is under construction in Milan, Tenn.

In addition to automobile and truck frames, the division manufactures control arms for wheel suspension systems, bumper reinforcements, railroad car running boards and brake beams and other structural parts.

LeMense joined the company in 1957 as a co-op engineer in college. After graduating from Marquette University in 1960 with a degree in mechanical engineering, he joined A. O. Smith full time as a product engineer. Since then, he has held a number of long-range planning in 1977, he was assistant manager of manufacturing engineering.

LeMense holds a master's degree in engineering mechanics from the University of Wisconsin and also earned a master's of business administration from the University of Wisconsin-Milwaukee's executive program. He is a member of the Society of Automotive Engineers, where he has served on various committees.

He and his wife are the parents of three children and live near Hartland, Wis.

Smaglick earned a bachelor of science degree from Marquette University in 1953. After service as a pilot in the U.S. Air Force and work in several managerial posts for the Wisconsin Telephone Co., he

joined the Automotive Division sales force in 1962. As an account representative and later an account executive, he worked with several of Smith's major customers. He was named general sales manager in 1971.

Smaglick is an active member of Sales and Marketing Executives-International, serving on the board of the Milwaukee chapter, and is vice president of the Automotive Original Equipment Manufacturers Association.

He and his wife are the parents of four children and live in Brookfield, Wis.

A. O. Smith, with its subsidiaries and affiliates, is a diversified manufacturer. Its product line includes electric motors, agricultural feed storage and handling systems, auto and truck frames, water heating equipment, fiber glass reinforced plastic pipe and computer services.

#### \$435 BURGLARY

Items valued at about \$435 were stolen during a burglary at the home of Wendy Jackson, 1739a Edison Ave., which was discovered Thursday. Entry was believed gained by forcing a door lock. Taken were jewelry, record albums, tape recordings, two cameras and a pair of shoes. Paneling was torn from one wall and ketchup was poured on the floor.

## Salem School of Dance to entertain here May 6

Area students will appear in a program of dance to be presented Sunday, May 6 at Granite City High School South's Memorial Auditorium at 2 p.m.

Students who will be performing in the program are Becky Garcia, Meredith Sabo, Lea Ann Kincy, Sherry Foster, Christine Wasylak, Sheila Branum, Vicki Locandaro, Sheri Dadara, Julie Austin, Melissa and Shelly Hahn.

Michelle Gossett, Stephanie and Stacie Foreman, Tammy Danner, Michele Massey, Lori and Brandi Diak, Mike and Lia Salem, Claire Tanner.

Mary and Darla Huckla, Dawna Norton, Andrea Suarez, Theresa and Jackie Reeves, Robin Fannings, Leesa Moore, Theresa DuBray, Mirella Ostrec, Debbie Strain, Gwynne Johnson, Gail Tackaberry.

Linnette Maier, Glenda Weckman, Maria Schrader, Rebecca and Missy Koyak, Michelle Nesbit, Lisa Owens, Allen Lewis, Gay Wright, Linda Foster, Karen and Kim Myracle, Jennifer Papa, Mary Loftus, Cathy Graville, Lydia Kachigian, Elise Willaredt, Christine Finke, Jennifer Pahl, Dina and Meghan Lombardi, Tonya Aczinowicz, Carrie and Becky Palovich, Elizabeth Halvachs, Crystal Scatturo, Cindy Hahn.

Laura Zeissel, Kristi Davidson, Kristi Novacich, Lorie Schroeder, Janelle Gates, Carla Zboray, Jennifer Valencia, Erica Stanton, Erika Wheatley, Tammy Austin, Jackie Mauer, Amy Killian, Laura Kostecki and Keri Weckman.

Tickets may be purchased for \$1 from any student of the dance school or at the door.

**READY TO PERFORM.** The youngsters are students from the Salem School of Dance who will appear in a program to be held at South's Memorial Auditorium on May 6 at 2 p.m. Pictured are, from left to right, Becky Garcia, Meredith Sabo, Sherry Foster (guard) and Lea Ann Kincy.

## Four in academic achievement bowl

Mary Grewell, Robyn Johnson, Chris Rogenski and Steve Yenchow will represent Granite City High School North in the second annual Academic Achievement Bowl to be held at Hillsboro High School, Hillsboro, Ill., on May 6.

Thirty-two teams from high schools throughout Illinois will participate in the all-day contest. The single-elimination rounds begin at 8:30 a.m. at one of two sites—the high school gymnasium located at 522 E. Tremont St., or the junior high school gymnasium on Rountree Street.

The participants will come from schools as large as Evanston (4,700) and as small as Highland St. Paul (200).

Geographically, Evanston is the northernmost school; Quincy will travel from the western border; and Sullivan will make the longest journey from the east.

Other high schools competing in the event include: St. Anthony (Effingham), Shelbyville, Galesburg, Vandalia, Greenville, Gillespie, Litchfield, Alton, Jacksonville, Taylorville, Morrisville, Belleville (East), Mater Dei (Brees), MacArthur, East St. Louis, Southeast (Springfield), Pana, Southwest, Pana, Decatur Eisenhower and Chatham-Glenwood.

Pairings for the first round were determined in a mid-January drawing. Each contest will be divided into 12-minute halves, with a five-minute halftime. If an overtime is necessary to break a tie, it will be three minutes.

Questions have been prepared by the Hillsboro faculty and drawn from subject areas found in most high school curriculums.

When a contestant knows the answer to a particular question posed by the master of ceremonies, he pushes a button for recognition; he then has 15 seconds to answer.

Each correct answer counts one point toward the team score; the team with the most points advances to the next round.

Trophies will be awarded to the top four teams. Last year's defending champs—Lincoln High School—will return, as will second-place finisher Jacksonville and third-place Nokomis.

The general public is invited. There will be no admission charge.

## Evangelist will speak

Evangelist Don Newcom will be the speaker during a week long series sponsored by the Reorganized Church of Jesus Christ of Latter Day Saints, 620 N. Dearborn Ave. The series began Sunday and will continue through next Sunday.

Included on the program for this evening at 7:30 will be a talk entitled "Revelation, the Ultimate Reality."

Tuesday's program, also at 7:30 p.m. will be "Jesus Christ, Gift of God."

Wednesday at 7:30 p.m., "Reconciliation, Reunion, Resurrection" will be the subject of the speaker.

On Friday at 7:30, the subject will be "The Kingdom is Now."

Saturday at 5:30 p.m., a potluck dinner will be served. Those attending are asked to bring a covered dish.

Sunday's message will be "Called to be."

Newcom is a retired president of the East Central States Region of the church. He lives with his wife Martha in Taylorville, Ill.

The public is welcome and invited to attend any or all of the services, he said.

**INJURED IN CRASH**  
Byron Jackson, 20, Brooklyn, was injured in an auto accident and was treated at St. Elizabeth Medical Center at 1:35 p.m. Thursday. He suffered pain to his right shoulder and an abrasion to his left eye. X-rays were taken and he was released.

## Marijuana seminar

Norman J. Doorenbos, "the official U.S. government pot farmer since 1968," will present a seminar on marijuana at Southern Illinois University at Edwardsville tomorrow.

Dean of sciences at SIU at Carbondale, he will discuss his experiences as the legal grower of the plant for research, and its effects in comparison to alcohol and tobacco. The scientist has studied the drug and other poisons for 25 years and has published 250 articles and papers on the results of his

research. Doorenbos said his studies of chemical anthropology—showing how people respond differently to drugs—has led him to believe there can be no safe drug. He will also discuss recent studies which show "the possible harm to the fetus if Mom smokes marijuana."

The seminar, sponsored by the faculty of biological sciences at SIUE, will begin at 4:30 p.m. Tuesday in Room 1105 of the Science Building. The program is free and open to the public.

## What you should know about air conditioning

Some manufacturers of heating and cooling equipment have begun to use aluminum tubing in their heat pump and central air conditioning coils. Now aluminum is great for some things, like beverage cans, lawn chairs, etc. But coil tubing isn't one of them.

Lennox uses only dependable, proven copper tubing. Copper costs a little more, but the advantages are well worth it. Copper is easier to work with, less brittle, more flexible, easier to make tight joints with.

Lennox enjoys a high quality reputation unsurpassed in the heating and air conditioning industry. We didn't get it by skimping on materials.

It's just one more reason to see your independent Lennox dealer for all your heating and air conditioning needs. Call:

## Pontoon board to be sworn in Tuesday night

Newly-elected officials of Pontoon Beach will be sworn in at the board's regular meeting starting at 7 p.m. Tuesday in the village hall.

The canvass of the village's April 17 election was conducted during a special meeting of the board at 10:30 a.m. Saturday and no substantial differences in the vote were found.

New village officials are Paul Bennett, president; Mrs. Mary Warren, re-elected village clerk, and Keith Biggs, Loren Madison and Glen Wilson.

ALLEN JENNESS

## Jenness promoted

Allen Jenness, 3251 Willow Ave., has been named director of management information services for Brown Shoe Company, a member of Brown Group, Inc.

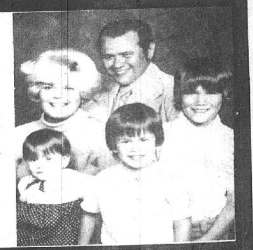

The announcement was made by William Widdis, vice president, administration.

Jenness was formerly data processing manager, National Vendors division UMC Industries.

Jenness lives with his wife Joyce and children Michelle, Laura, Kristin and Adam.

We would like to say  
**"Thank You"**

**UP, UP AND AWAY.** The giant crane above caused quite a stir in Downtown Granite City last week. 20th Street between Niedringhaus and Delmar avenues had to be blocked off to accommodate the huge machine, which lifted and placed structural steel for walls and the roof of the new racquetball court under construction at the Tri-City Area YMCA.

(Press-Record Photo by Cathy Jamison)

## Mid-America conference on the one-parent family

Clinical psychologist Lee Salk, child psychologist Dr. Richard Gardner and social welfare specialist Lillian Messinger will join a faculty of experts at Southern Illinois University at Edwardsville May 24 for the Mid-America Conference on the One-Parent Family.

The experts will look at problems and issues facing the growing number of single parent families struggling with the older customs, laws and institutions designed to serve families with both the mother and father.

Today, one in six American families is headed by one parent, often the father, and 16 percent of all school children live with a single parent, statistics show.

Ron Moorman, program coordinator for the Family Service and Visiting Nurse Association in Alton and a member of the conference planning committee, said it is a united effort to bring the attention and resources of social service and related agencies into line with changes in American society. The conference is sponsored by SIUE and state and local agencies.

The three-day session will open Wednesday evening, May 2, with Salk's major address on "Family Life in America, Its Structures and Function."

A brother of Jonas Salk and a clinical professor of psychology in psychiatry and pediatrics at Cornell University Medical College, Salk regularly contributes papers to scientific and medical journals, publishes a monthly column in McCall's Magazine, appears on syndicated radio and TV programs, and is author of the best sellers, "How to Raise a Human Being," "What Every Child Would Like His Parents To Know" and "What Every Child Would Like Parents to Know About Divorce."

**RANSACKED HOUSE**

Considerable damage was done to the home of Lenore Doyle between 8:30 a.m. and 3:30 p.m. on Saturday. The rugs were sprayed with a yellow paint and the couch cover was slashed numerous times, in addition to a hole about two feet wide being broken in a wall. A television, clock radio, dishes and a handmade quilt valued at \$850 were taken.

## Retired GC police lieutenant Fred Muntion killed in crash

Former Granite City, Police Lieutenant Fred Muntion, 76, was killed at 2:45 p.m. Friday in a one-car auto accident in Coffee County, Tenn.

It is believed Mr. Muntion suffered a heart attack while enroute from Granite City to visit his step-daughter, Mrs. Mary Jane Wolf in Dunedin, Fla.

The fatal accident took place on Interstate 24, about 10 miles east of Manchester, Tenn.

He was born in Tamaqua, Ill., and had lived here the

past 36 years.

Mr. Muntion had a heart condition for some time.

He retired from the Granite City police force at age 65, joining the force when Granite City's annexation with Nameoki took place.

He was the former president of local 1947 for municipal and governmental employees and was a member of the Madison County Police Association.

Mr. Muntion was also a member of Masonic Lodge 877.

He was preceded in death in June 1975 by his wife Mrs. Minnie Muntion.

Survivors include: two daughters, Mrs. Robert (Lorraine) Goeckeler of Ferguson, and Mrs. Raymond (Patricia) Ohlenghouse of Litchfield, Ill.; one son, Kenneth Earl Muntion of Milledale, Ill.; one step-daughter, Mrs. Harvey (Mary Jane) Wolf of Dunedin, Fla.; six grandchildren and three great-grandchildren.

Funeral arrangements are listed in today's obituary column.

## Phone hearings

Prices customers pay for telephone service and the way phone service is provided could be changed by pending legislation before the U.S. House and Senate, according to Dwight E. Zimmerman, president of the Illinois Telephone Association, and vice president-revenue requirements, General Telephone Co. of Illinois.

"More than 20 member of the Illinois Telephone Association are going to Washington today to talk to our congressmen and senators about these bills," Zimmerman said.

"There are several provisions in the bills which would profoundly affect the telecommunications industry. We need to know more about the telecommunications industry. We need to know more about the intent of those bills."

The delegation of telephone executives representing some of the 60 telephone companies in

Illinois will attend hearings in the Senate and House. Also, there are appointments with several congressmen to review the current bills. The group will meet with Senator Adlai Stevenson on Tuesday.

He said, "All three bills would shift the regulation of telephone service between cities within the same state from state to federal regulation."

"We're not sure the people of Illinois will want to go to Washington whenever rates and changes in service are being discussed."

"Also," Zimmerman said, "it appears these bills do not give adequate attention to the way in which the nationwide long-distance telecommunications network would be managed."

"It is not clear that quality nationwide service could continue to be maintained. And it is not clear how this legislation would affect the prices of residence telephone service. It might tend to increase prices paid by customers."

## Boy struck by automobile

Richard W. White, age 7, 2724 Harding Blvd., was admitted to St. Elizabeth's Medical Center at 4:50 p.m. Saturday suffering with bruises to the forehead, elbows, rib area, left foot and left ankle.

Richard was riding his bicycle at W. 22nd Street and Jefferson Avenue, when he

was allegedly struck by an automobile driven by George K. Yeager, 19, 2948 Myrtle Ave.

Yeager was issued a traffic citation for speeding 40 m.p.h. in a 25 m.p.h. zone.

Yeager is to appear in court on Friday, May 25, at 9 a.m. on the charge.

## Three men charged

Three men were arrested and released on bond after an incident at 1:40 a.m. Saturday in the parking lot of the International House of Pancakes (IHOP), Nameoki and Pontoon Roads.

Bruce A. Snyder, 18, 2823 Denver St., was released on a \$70 bond on city charges of assault and disorderly conduct.

Thomas M. Bauer 44, 1723 Elizabeth St., Madison, was released on \$35 bond charged with disorderly conduct.

Gary Ely, 19, 2832 Denver St., was also charged with disorderly conduct and released on \$35 bond.

Police were across the street from the restaurant when the three men drove into the parking lot and police allegedly heard them yelling profanities and trying to provoke a fight with another person.

The three allegedly tried to force a couple off the road a few minutes earlier and were threatening them.

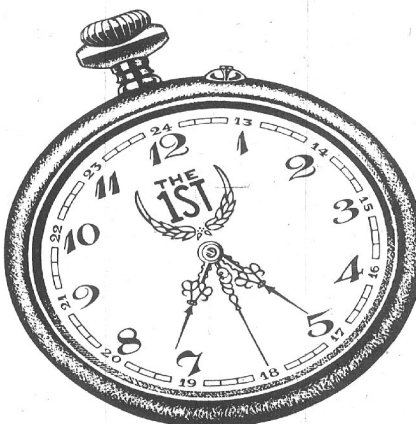

The couple pulled into the parking lot and were in the process of calling police when the three men followed them to IHOP.

The victims signed complaints.

Snyder allegedly tried to pull a woman out of a truck.

## Madison middle school may be ready for start of the fall term

By MICK STRANGE  
Press-Record Staff Writer  
The Madison middle school (grades 6-8), now under construction, has a very good chance of being ready for the opening of school in September.

Superintendent of Schools John Palchiff, at a Thursday evening board meeting said, "After the April 11 coordination meeting with the contractors everyone feels that we will finish by September."

"In the academic area which is referred to as unit 'A' painting is scheduled to begin inside on or before Friday, May 4. Duct work in the unit is complete. There is still some electrical work that needs to be done, but pipe insulation is complete along with cleaning of the masonry wall. If you review the report of the meeting I think the board will find the situation is really improving," Palchiff said.

Madison Civil Defense Director Casimir Krakowicki reported to the board about a poison safety program and anti-poison

safety kit the civil defense department of Madison has prepared.

The board gave Krakowicki permission to send fliers explaining the kit, which will sell for 75 cents, home to the parents by the school children.

A program will be presented at 7:30 p.m. Thursday, May 3, in the Madison Memorial Center, Seventh and Lee Streets. A speaker on poison prevention will emphasize what to do and present practical safety precautions to parents.

The board in endorsing the poison prevention program felt this would be of extreme value to parents of small children, kindergarten through the sixth grade in particular.

The board approved student insurance for the 1979-80 school year with American Youth Insurance, which has been handling the student insurance for the past five years.

The insurance has increased by \$1, but the benefits have also been extended.

Cost will be \$4.75 for children in kindergarten through sixth grades and \$7.75 for students in grades seven through twelve.

No decision was made as to the last day of school; but it was felt by the board that with the extra emergency

days approved by the Governor and Illinois Department of Education, school may end on Friday, May 25.

A decision will not be made on the ending of the school year until a May board meeting.

## Harry Soehnlin dies at 57

Harry M. Soehnlin, 57, of 28<sup>th</sup> Suzanne Court, Caseyville, father of Robert Soehnlin of Overland Park, Kan., formerly of Granite City, died at 2:45 p.m. Thursday at St. Elizabeth's Hospital, Belleville.

He was a retired employee of Circle Packing Co., East St. Louis, and was a member of Teamsters Local 50, Belleville. He was born in East St. Louis.

Survivors include his wife, Mrs. Margaret (Haines) Soehnlin; another son, Richard Soehnlin, Belleville; four daughters, Mrs. Patrick (Susan) Baquet, Collinsville, Mrs. William (Carol) Gohn, Alt., St. Louis, Mrs.

Lawrence (Peggy) Prokopf, Fairview Heights, and Miss Michelle Soehnlin, Caseyville; one sister, Mrs. Florence Lorenzen, O'Fallon; three brothers, Henry Soehnlin, Edwardsville, Bernard Soehnlin, Belleville, and Darvin Soehnlin, Freeburg, Ill.; and eight grandchildren.

Funeral services were held at 11 a.m. Saturday, April 21, at a Caseyville funeral home. Burial was in Mount Carmel Cemetery, Belleville.

## The Lighter Side

By Cathey Jamison  
Press-Record Feature Editor

## Shouting the praises of machines that work

Nothing quite beats the two real workhorses at my house, those being my washer and dryer. May these words be a tribute to them.

Ah, and where would I be without them? I cannot imagine using a scrub board or a rock to try to take the dirt out of my family's clothing.

Being a working mother can be a trial, especially when all seem to be constantly changing clothes. Dirty laundry is the scourge of my life, but I shudder to think how much worse it could be.

I have had a washer and a dryer, both working, for only a few months. Before that I had an elderly dryer that worked only when it cared to and a washer that had seen

better days.

Now I enjoy two relatively new, functioning machines and it is sheer heaven. They are such a joy to me.

Gone, hopefully forever, are the days when I would be forced to wring the entire wash out by hand because the thing-a-ma-jig that made the old washer spin was not in working order.

Gone also are the days when I had to hang my wash out in the yard in the winter, when the cold would freeze jeans beyond help. My dryer would not run for more than 20 minutes without taking an hour-long break.

Summer wasn't so bad, since hanging clothes outdoors can be nice for the nose.

But you could forget

drying clothes in the dryer on a hot day, since the dumb machine refused to go while the air conditioner was in operation.

The washing machine that drove me crazy was given for walking papers a couple of years ago and the dryer that didn't work half of the time went to the garage in December.

Finally, after so many years of never being quite sure if I was going to have to make the trip to the laundromat, I can rest easy. The new machines are working hard. They are efficient and fast and make getting the laundry done a much pleasanter task.

Wish I could say the same for my ignorant vacuum cleaner.

## Ambulances

(Continued from Page 1)

Leaders of Madison, Venice, Pontoon Beach and Nameoki, Venice and Chouteau townships were forced to sign agreements that the governmental body would pay the city for ambulance bills not paid by residents of their cities, village or townships.

During last week's Granite City council meeting, Mayor Paul Schuler said the city has been getting good cooperation from most of the govern-

ments receiving ambulance service. He said it was necessary to threaten to halt service to one city and to the village and give them a date when service would be stopped, but an actual cutoff was never necessary.

The report given to the aldermen shows that of \$19,945 billed outside of the city limits between Jan. 1 and March 31 of this year, \$15,145 remains to be paid.

The total of unpaid bills for each government served is: Madison \$5,221; Venice \$3,820; Nameoki Township \$1,498; Chouteau Township \$1,559; Venice Township \$574; and Pontoon Beach \$2,097, according to the report.

In Granite City, a total of \$25,744 has been billed in the first quarter of this year, of which \$18,788 is in various stages of billing, the aldermen were told.

## Bread

(Continued from Page 1)

Great Lakes Steel in Detroit, it was learned.

The strike apparently is concentrated in Western Pennsylvania, West Virginia, Ohio and Michigan with steel shipments still going westward out of Chicago.

The strike began about a week ago when steel haulers refused to go back to

work after union and trucking industry bargainers reached agreement on a proposed new three-year national contract and called off a 10-day nationwide work stoppage.

Still unresolved, however, is a supplement to the national contract covering pay scales and working conditions for steel haulers.

Late last week a spokesman for National Steel in Pittsburgh, speaking of the proposed layoffs at the Watson plant, said that "by using every available area in the plant suitable for storage of finished products we have been able to avoid operational curtailments through stockpiling," but added there was little room left to store more steel.

## Arrest 3 at gas station

Randy W. Marcille, 19, of 1220 Madison Ave., and Terry W. Skaggs, 19, State Park Place, face one count each of battery and Carry D. LeMaster, 17, St. Louis, was charged with theft after an incident at the Clark service station, Nameoki Road and Washington Avenue, at 11:25 p.m. Sunday.

Service station attendant Dave Meyer alleged he saw LeMaster take a package of cigarettes without paying for them and return to a car with two other young men.

Meyer said he confronted the three in the car and the driver, allegedly Marcille, beat Meyer with his fists while the other two tried to hold Meyer. Richard Burch, the other attendant, came to Meyer's aid and was punched in the face, having his glasses broken, he reported.

Police were called, stopped the car leaving the lot of the service station and arrested the three. They were released on \$35 cash bond each.

## PASSENGER THROWN OUT IN COLLISION

Miss Kathleen Gobble, 16, Edinville, was taken to St. Elizabeth Medical Center Thursday after being in an auto accident. She was a front-seat passenger and was thrown out of the car. She suffered pain to her head and chest and was released.

## Mrs. Walker, 85, succumbs

Mrs. Birdie (Dykeman) Walker, 85, of 2529 North St. for six months, died at 7:55 a.m. Saturday at St. Elizabeth Medical Center. She had been hospitalized for six days.

She was born near Hannibal, Mo., and had resided in St. Louis prior to moving

to this area 35 years ago.

Mrs. Walker was a member of Faith Baptist Church.

Survivors include her husband, Prentis N. Walker.

Funeral arrangements are given in the obituary column.

## Dymas re-elected board president

Sam Dymas was unanimously elected to his second term as president of the Madison Board of Education during a Thursday evening meeting of the newly elected board.

Donald Garrett, newly elected board member, was officially seated at the meeting.

Prior to the meeting of the new board, a meeting was held to canvass the results of the Saturday, April 14 election.

The results showed the same voting as was previously reported in the Press-Record.

The old board then adjourned at 8:20 p.m. "sine die" (final adjournment) with the new board beginning its meeting at 9:10 p.m.

Following the election of the board president, Richard Zeisler was elected as board secretary and Elvers Johnson was re-elected school treasurer.

The board secretary is paid \$200 per month; the treasurer is not paid. Attorney John Papa was selected as the board's attorney to be paid on hourly basis as needed.

President Dymas said, "I think we should go on record thanking Chester McManaway for his 24 years of service to the board and the school children of Madison. I would like the superintendent to write Chester an official letter from the board expressing, on behalf of everyone, our sincere thanks." An engraved plaque has been prepared to be

presented to McManaway. McManaway lost a reelection bid.

Dymas said, "Last year was a good year and although our board did not see the same way on many things I feel we did accomplish a lot and I am certain we will make more progress this coming year."

The North Central Evaluation team will review the functions of the Madison school system beginning with a 6:30 p.m. dinner meeting Tuesday, April 24, at Charlie's restaurant.

Following dinner a special board meeting will be held, at the board office, at 8 p.m. Dolores Folkerts, counselor at Madison High School is chairman of the "Get Acquainted" dinner.

### BEST FIRST QUARTER SINCE REORGANIZATION

Net income of General Steel Industries was \$1,630,000, or 52 cents per share of common stock, for the three months ended March 31, 1979, compared with \$985,000, or 32 cents per share, for the first quarter last year. J. A. Van Sant, president, told the annual meeting of shareholders Thursday.

Net sales and other revenues of the diversified manufacturing company were \$20,621,000 for the first quarter, an increase of 30 percent over sales of \$15,875,000 in the same period last year. The new total is the best first quarter since the corporation was reorganized in 1972.

**MADISON ALDERMEN TAKE OATH.** Madison aldermen elected in the Tuesday elections took their office Tuesday evening as they accepted their oath of office during the regular Madison Council meeting. Aldermen elected from the left are: Donald Garrett of Ward Five, Mike Sikora of Ward

Four, Elmer Smith of Ward Three, William Gusheff of Ward Two and Paul E. Ashford of Ward One, being sworn in by City Clerk John Bellecoff, with Madison Mayor Mike Sasyk at right.

(Press-Record Photo)

## Slavic conference

Slavic and East European Friends (SAEEF) of Southern Illinois University at Edwardsville will present their "Slavic and East European Conference XIV" at the university Saturday, April 28.

The conference will include a panel discussion of the Slavic-American collection at the university's Lovejoy Library, with emphasis on folklore. The discussion will be held in the faculty lounge, on the third floor of the library, from 4 to 5:30 p.m. The conference dinner and annual SAEEF meeting will be held in the Mississippi-Illinois Room of the University Center from 6:45 to 10 p.m. The dinner will feature original Slavic and East European dishes.

The meeting will include an address by Joseph Domzalaki, director of residential and community development, St. Louis, entitled "Poland - Its History, Cultural and Scientific Contributions," and a vocal presentation by Marianne Kossakowska-Szydlowska.

For further information and dinner reservations, interested persons may

contact Marie Pass at 692-2900.

SAEEF is an organization formed to maintain an association of interested persons to preserve and foster Slavic and East European culture and traditions in the U.S.

### Ask hospital to improve 21st Street

Granite City Engineer Monroe Brewer has written a letter to St. Elizabeth Medical Center asking the hospital to repair damages to 21st Street between Washington and Madison Avenues.

Brewer told the Granite City Council he believes construction activities at the medical center are the cause of the poor condition of 21st Street.

Brewer's letter was read before the Granite City Council at its last meeting.

UNDERCOATING - RALPH'S TEXACO 22nd & MADISON AVE.

**NATIONAL WINNER.** Colonel Harland Sanders congratulates Leonard Yelton, whose store-restaurant in Granite City set a national sales record last year. Yelton also received his award for 15 years of service as a Kentucky Fried Chicken franchisee. Yelton was recognized at the KFC international convention, attended by more than 3,000 people. The worldwide chain's 6,000 units serve nearly five billion pieces of chicken a year. Yelton operates five KFC stores in the St. Louis metropolitan area.

### Art Guild hears John Patrick

John Patrick presented a program on photography at a meeting last week of the Granite City Art Guild at 412 Madison Ave.

He used the theme of "History-Education, Art-Recreation" for his illustrations. Members receiving ribbon awards for art work exhibited at the meeting were Becky Bader, first, Nancy Meadows and Jeanette Pinkston, tie for second, and Norma Turner, third.

The group will meet again on May 15, it was announced.

### 9 GC young authors chosen for state meet

Regional Superintendent of Schools Harold E. Briggs has announced that 11 students from Madison County have been selected to attend the Illinois fifth young authors' conference May 5 at Springfield, for the southern area of the state.

"This conference is becoming an Illinois tradition and was begun to foster children's writing," Briggs said. Co-sponsored by the State Board of Education and the Language Experience Special Interest Council, the conference aims to encourage achievement in reading and writing and provide young authors with

recognition for their efforts. The students from Madison County selected to participate are:

Ann Marie Guzy, Nameoki School. Paul Berry, Nameoki. Pamela Roboff, Nameoki. Laura Withers, Lake. Catherine Aleman, Niedringhaus. Jeff Zukas, Niedringhaus. Vickie Becker, Stallings. Karen Hursey, Wilson. Julie Riden, Parkview. Monica Daniel, Alhambra. Amy Livingston, Highland.

## Whitsell will attend more

Louis Whitsell, a Madison County Board member from Nameoki Township, has arranged his schedule at work so that he can be present for most board meetings in the future.

Whitsell has been criticized for missing most monthly board meetings since last fall.

Helen Hawkins, a Nameoki Township resident defeated by Whitsell for a county board last year, has said Whitsell should resign because his absences mean no representation for her township.

Whitsell is one of the 13 county board members receiving \$5,500 per year in flat salaries. The flat salaries are paid regardless of attendance - a fact that Hawkins has also pointed out.

Whitsell was present at last week's county board meeting.

He said his job as supervisor for a tool and die firm has prevented his attendance, but that he now has a foreman to take over in his absence.

Whitsell said he informed County Board Chairman Nelson Hagnauer last fall that his new job would keep him from attending board meetings for several months.

Last week, Whitsell told a reporter that he has not missed county board committee meetings, except for those held by the land use committee.

Whitsell is chairman of the special sewer committee and the education and recreation committee and a land use committee member.

He asked, unsuccessfully, to be taken off the land use committee, he said.

He also tried last year to have county board meetings changed to night rather than day sessions, he added.

March county board records show Whitsell as attending a special board meeting March 14, one land use committee meeting and three education and recreation committee meetings for a total of five.

Those board members on flat salaries draw approximately \$458 a month plus mileage. The other half of the county board will continue to receive per diem of \$40 per meeting plus mileage until converted to flat salaries after the next county election.

Dick Worthen, Alton, and Herbert Milton, Granite City, collected the highest March per diem - \$680. Both attended 17 meetings in March.

### Brownie Troop 210 aids drive

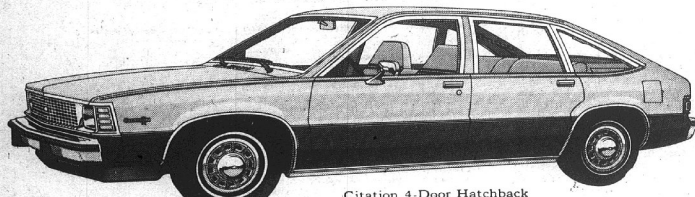

Mitchell School Brownie Troop 210 participated in the Quad-Cities area "stash the trash" campaign.

The scouts cleaned areas around E. Chain of Rocks Road in Mitchell. Afterwards, they were given refreshments and compliments at Pepsi-Cola Bottling Co. and McDonalds. They were also awarded with patches in appreciation for their efforts.

Those participating were: Stacy Churchwell, Precilla Clements, Dalila Dailey, Michelle Davis, Janet Giese, Christy Juedemann, Julie Kern, Michelle Kondrich, Peggy Newberry, Jeanine Robles, and Dale Newberry. The leaders attending were Gail Newberry, Lynda Kondrich, and Neighborhood 5 Chairman Margot Clements.

### Hits 2 trucks

Gary Hutchinson, 32, of 2620 Division St., was charged with driving on a suspended driver's license after his car allegedly struck two parked tractor-trailers at 1503 State St., at 4:45 p.m. Thursday.

The owners of the trucks said a car entered the parking lot, struck the front right wheel of the truck of Gerald Runyan, Shelbyville, Ill., and then careened into the truck of Robert Borgelt, Hoffman, Ill. The auto then backed up and struck the gasoline tank of Runyan's truck, the drivers told police. Hutchinson suffered minor injuries, but declined to be taken to the hospital.

### COUNTRY'S LEGAL SECRETARIES ELECT

Mrs. Judy Myers has been elected to serve as president of the Madison County Legal Secretaries Association to succeed Mrs. Barbara Garvey. Mrs. Myers is a pst president and is employed by Merle C. Bassett, Wood River.

Elected to serve with Mrs. Myers as officers for the coming year are Melody Mans, Mildred Allison, Beverly Delaney, Judy Acup, Cathy Bryant, Doris Klossmeyer and Glenda McKee.

GRANITE CITY — The  
schedule-makers for the  
Granite South Invitational  
Baseball Tournament knew  
just what they were doing  
when they chose Granite  
City North and Granite City  
South as the opponents in the  
final game of the tour-  
nament.

It would be the natural  
climax to a weekend of  
baseball, to say nothing of  
the cross-town rivalry.  
But North's Steelers went  
and insulted their friendly  
hosts with a 6-3 victory.  
"They just wanted it a  
little more than we did," said  
South coach Babe Champion.

Desire played a part in the  
South loss to be sure, but the  
Warriors caught North in the  
midst of a winning streak

that culminated with the  
three tournament victories.  
The Steelers delivered the  
knock-out punch in the  
second inning, scoring four

runs. The big blow came  
from designated hitter Tony  
Pierce, whose single to left  
drove home Bob Ford, who  
had reached on South's

second baseman Bob  
Stegemeier's error, and  
Mike Robertson, who had  
walked.  
Pierce's hit was followed  
by a single to right by Bob  
Batey, scoring Dennis Page,  
and a single to left by Jeff  
Stamper, scoring Pierce.  
The early flurry of runs by

North took the edge off the  
climactic game for the  
Warriors. The South bench  
remained ominously quiet,  
even though it was filled to  
capacity by members of the  
sophomore team.  
Champion urged his team  
more than once to generate  
some enthusiasm, and after  
the game said, "A good ball  
club never gets flat in a big  
game. A good ball club will

bounce back."  
In the third, inning North  
knocked South's starting  
pitcher Dave Weil out of the  
game. South brought Al  
Yount who gave up another  
run.  
North's Bob Ford, leading  
off the inning against Weil,  
popped a single into short  
center. Robertson chased  
him home with a double to  
(Continued on Page 12)

## Surprises highlight GC South tournament

By KEVIN ALLEN  
of the Press-Record  
GRANITE CITY — Maybe  
the organizers of the South  
Invitational Baseball  
Tournament, played here  
this weekend, considered the  
name, of their tournament  
and figured they'd invite  
some actual southerners to  
play.

So Green County Tech  
from Arkansas and St.  
Mary's from Paducah,  
Kentucky joined Granite  
City South and North.  
But in the end, it was the  
North — Granite North —  
who won the championship.

North won all three of its  
games, while Green County  
was 2-1, South was 1-2, and  
St. Mary's was 0-3.

North began the tour-  
nament Friday with a 14-4  
drubbing of St. Mary's  
Vikings, and set the tone for  
its tournament-long hitting  
spree.

Against the Vikings, the  
Steelers banged out 20 hits.  
Rich Awalt and Mike  
Robertson each had four,  
including back-to-back  
homers in the seventh. Awalt  
drove in three runs in all.

Mike Robertson and Bob  
Batey chipped in with three  
hits apiece.

The Vikings scored in a  
single run in the second, two  
in the third and two more in  
the fifth. In addition to giving  
up 20 hits Viking defense also  
committed four errors.

While North was hitting  
championship stride, South  
was establishing a tour-  
nament trend of its own. The  
Warriors were frustrated  
losers in eight innings to the  
Golden Eagles of Green

### Fans kept on move during tournament

GRANITE CITY — The  
eight-game South  
Invitational baseball tour-  
nament this weekend kept  
Granite City baseball fans on  
the move.

During the first four  
games of the series, Granite  
North occupied the diamond  
at Wilson Park, while  
Granite South played "on the  
curve" at South High School.

A bipartisan observer  
would have been worn weary  
trying to keep up with both.  
But had he managed to stay  
abreast of both Granite  
City teams, he would have  
seen some outstanding in-  
dividual performances.

For North's Steeler's  
catcher Rich Awalt led a  
gang of hot hitters. In the  
Steelers' first game of the  
tournament, Friday, Awalt  
collected four hits and three  
RBI. One of those hits was a  
home run in the seventh,  
which came just before Mike  
Robertson's homer.

In North's second game of  
the tournament, Saturday  
morning, Awalt delivered  
two more hits, scored two

runs, and drove home the  
Steelers' first run with a  
triple.

While Awalt was busy at  
Wilson Park, South's Jeff  
Parker was doing much the  
same thing at South High. In  
South's Saturday morning  
game, Parker scored two  
runs and drove in two-one on  
a bases-loaded walk and  
anmer with a home run to  
left center.

Saturday afternoon the  
weary fan finally had a  
chance to settle down, as  
South and North met at the  
South High field.

For the first time in the  
tournament, Awalt went  
hitless, but Parker sent  
another shot over the left  
field fence, almost the same  
spot he had hit earlier in the  
day.

Even with Awalt's reduced  
offense, North managed to  
beat South in the tournament  
finale, however, and com-  
plete a sweep of it's three  
games for the tournament  
championship.

—KEVIN ALLEN

County Tech.  
The Eagles took a 1-0 lead  
in the fourth, when Shane  
Parker walked, stole second,

## Trojans second at Red Bud

RED BUD — The Madison  
boys track team ran away  
with things here Saturday  
in the running of the Red Bud  
Invitational. But Madison  
still came up second.

The Red Bud meet used  
the final team standings of  
both the boys and the girls  
divisions to determine the  
overall champion. Even  
though Madison easily won  
the boys division, Freeburg  
was able to combine its third  
place showing with a strong  
performance by its girls  
team to claim the overall  
championship. Madison  
came in second.

The top six teams were:  
Freeburg 100%, Madison 88,  
DuQuoin 68, Columbia 64%,  
Red Bud 43 and Waterloo  
Gibault 34.

Madison's boys' relay  
teams turned in a strong  
performance. They won all  
four relay events, setting  
meet records in three of  
them.

The Trojan 440 yard relay  
team ran that distance in a  
time of 44.4 seconds,  
breaking the old record it set  
last year. The 880 relay was  
won by Madison's Troy  
Butler, Sylvester Collins,  
James Heard and Macieus  
White in 1:38.3, breaking the  
old mark set by Madison in  
1976; Madison's two-mile  
relay team of Raymond  
Price, Tony Mayer, Alvin  
Bankhead and Cecil Cross  
set another record. They  
teamed up to win the event in  
a time of 8:25.9, breaking the  
old mark of 8:30.3 set by  
Wesella in 1976.

"We really did well in the  
relay events," said Madison  
Coach Charlie Steptoe. "But  
without them, we would have  
been in trouble."

Trouble almost struck  
Madison in another form...a  
more serious one. Injury.

Sylvester Collins, a  
member of the record-  
setting 440 and 880 relay  
teams, hurt his leg in the  
880 relay. He missed the 330  
yard low hurdles and  
DuQuoin's Gordy Showalter  
ran away with the event.

Before the last event,

Trojan Earnest Davenport,  
who ran the 220, the 440 and  
was the third leg on the 440  
relay team, wasn't rested  
enough for the mile relay. He  
was moved from the anchor  
position to the second leg in  
the event.

The Trojans were able to  
defeat DuQuoin by a full two  
seconds in the event, but  
however, to give the boys  
title 65-69.

"Everything worked out in  
the end," said Steptoe.  
"Losing Sylvester hurt us, no  
doubt. But Earnest  
(Davenport) came through.  
"For us to win, he had to  
come through. He did."

South Girls Meet  
The Granite City South  
girls meet Saturday was a  
one-word story — East St.  
Louis Lincoln.

The Lincoln Tigerettes ran  
away with the meet. Granite  
City North finished 10th with  
nine points. Granite City  
South did not score. Com-  
plete results in Scoreboard.

### South girls lose

GRANITE CITY — The  
Granite City South girls  
softball team couldn't hold  
on to a 4-2 lead in the third  
inning here Friday and  
dropped an 8-5 decision to  
Belleville East. The loss  
dropped South's record to 0-  
2, while East stands at 5-1.  
Susan Spencer started for  
South on the mound and went  
all the way.

South jumped out on top  
early. It scored two runs in  
each of the first two innings  
to claim a 4-0 lead. But East  
kept chipping away at it.

The Lancers came up with  
two in the third inning, four  
more in the fourth and two in  
the fifth. South scored one  
run in the seventh inning.

SLIDING IN to home Saturday against  
South is Granite City North's Bob Batey. He and  
his Steeler teammates erupted for a 6-3 win over  
the Warriors in the final game of South's Round

Robin Tournament. The victory gave North a  
perfect 3-0 record in tournament play, while  
South and the other two tournament entries came  
out with 1-3 marks. (Press-Record Photo by Don Wolff)

## Local teams win in cup play

GRANITE CITY — Com-  
petition got underway here  
yesterday in the first Illinois  
Junior Cup soccer series to  
be held in Granite City.

The junior cup program  
gives youths of high school  
age a chance at representing  
their state in national  
competition and a possible  
shot at selection for the 1984  
Olympic team. The teams  
taking part in the Granite  
City tournament are age 19

and under. All communities  
of this area are being  
represented in the play,  
which is taking place at the  
Army Depot Field.

In first round action  
yesterday, both Granite City  
entries came away with  
victories. The Granite City  
FW squad defeated  
Belleville 1-4 and the  
Granite City Soccer Club  
came from behind to defeat  
Belleville 2-1.

In other action, Cahokia  
downed Alton 5-1 and  
Highland shutout Fairview  
Heights 5-0.

In the last game of the day  
— GC Soccer Club vs.  
Belleville II — "Things didn't  
look good for the home club  
early in the second half.  
After a scoreless first half,  
Belleville found a leak in the  
Granite City defense and  
scored to make it 1-0. But the

game was far from over.  
With about 24 minutes left  
in the game, Granite City's  
Jack Burnett stole a  
Belleville pass, slipped it to  
teammate David Fernandez  
who put on a spectacular  
driving show.  
Fernandez slipped by  
three Belleville defenders  
toward the goal, chipped the  
ball over to Bob Batey who  
banged in the tying goal.

Tri-City opener

# Schrader leads all the way for victory

GRANITE CITY - Kenny Schrader of Ballwin, Mo. led all the way here Saturday night and won the 20-lap feature race in the Sprint Car division at the season-opener at Tri-City Speedway.

Finishing second behind Schrader was Bill Utz of Sedalia, Mo. Danny Frye of St. Charles, Mo. was third.

In the Sprint Car heats, winners were Tom Corbin of Carrollton, Mo. (Heat 1), Schrader (Heat 2) and Frye

(Heat 3).

In the Late Model Division, Bill Myers of East Alton kept up his winning ways of the past by taking the 20-lap feature race. Mike Wallace of Arnold, Mo. was second, with Bobby Regot of St. Charles, Mo. finishing third.

Gary Potter of St. Charles, Mo. won Heat 1 in the Late Model Division. Doug McCammon of Robinson, Ill. was the winner of Heat 2. The Late Model Trophy Dash

was won by Myers.

The Sportsman Cars attracted the fewest entries of the three divisions - nine. But nonetheless, Cletus Blackwell of Ellsberry, Mo. came away the winner of the only heat as well as the 12-lap feature race. Paul Humphrey of Duplo finished second in the feature, with Steve Toomey of Lebanon third.

In the Sprint Car trophy dash, Corbin edged Schrader

at the wire for the first place trophy. Tom Georges of Springfield, Ill. won the Sprint Car consolation race.

An estimated crowd of 5,000 saw the action at Tri City, giving promoter Gil Rimel (Ellsberry, Mo.) something to smile about. The after the first week of action.

This week's action will begin Saturday night at 7 o'clock.

# Harrington named

BELLEVILLE - The new basketball coach at Belleville Area College, winner of the 1978 state championship, is Jay Harrington, who guided Wabash Valley Junior

College (Mt. Carmel) to the Illinois title in 1978.

Harrington was announced Thursday night as the successor to Bill Franey, who joins Jim King's Tulsa staff after a one-season stint

in Belleville.

Harrington, who left Wabash Valley to assist at Arkansas-Little Rock, was announced recently as the new head coach at Cowley (Kan.)

Junior College, but passed up that job in favor of the one at Belleville.

Among the other finalists for the Belleville job was Madison High basketball coach Larry Graham.

## Steelers

(Continued from Page 11)

right, and North took a 5-0 lead.

In the top of the fourth, with two out South's Pat Hagan reached on a fielder's choice. Stegemeier followed with a walk, and Jeff Parker, who had homered earlier in the day against St. Mary's,

just cleared the fence in left driving in three runs and bringing the Warriors within two.

It was only the second hit off North's starter Russ Chappell, who was making his first start of the year. Chappell, however, finished strong, and South didn't score again.

The Steelers added one more run in the bottom of the

fourth. Batey singled to start the inning, moved to second on a low throw to first by South's second baseman, then scored on another low throw by South's second baseman, then scored on another low throw by South's second baseman.

"We did things well," said North's coach Bob Stegemeier. "I was very pleased with our pitching. They swing the bat well, and

their pitching is sound. We didn't hit as well against them as we have been hitting."

The tournament provided a test for the teams overall depth and especially the pitching. North's bench strength was evident during the weekend. "I really like the idea of the tournament," said Stegemeier, "I think it's great for the kids to play three games in two days."

## Surprises

(Continued from Page 11)

triples in the third, fifth, and seventh. Scheer drove in two runs.

North had a tougher time with Green County. The Vikings took a 4-0 lead in the second inning on a walk and four singles.

North tied the score 4-4 in the top of the third, again on the bat of Awallt. North's catcher drove home Jeff Stamper and Robertson with

a single to left.

The score remained tied until the sixth when the Vikings' Shane Palmer doubled home C. D. Mitchell, then scored on Craig Tarry's fielder's choice.

North scored four runs in the seventh, lining out five hits and taking advantage of two Viking errors, to win its second game of the tournament.

After the game, the Steeler bench was charged with

excitement. North's coach Bob Stegemeier addressing his team said, "We got some chinkers, but there's nothing wrong with that. We'll take 'em any way we can get 'em. We didn't play much defense. But we came back really well. Now we can't settle for a tie. We want the championship."

Saturday afternoon the two out of town teams finished their tournaments, as Green County beat St.

Mary's 9-4.

The stage was set for the final game of the tournament between the local rivals. The outcome would determine if the tournament would finish in a three-way tie, or if North could run its string to three. It did.

## Mitchell registration

MITCHELL - The final registrations for summer Mitchell boys' baseball and girls softball will be held tonight and tomorrow night (April 23 and 24) at the Mitchell Grade School Gym.

The registrations will be from 6 to 8 p.m. and the fee is set at \$5.

The eligible ages for boys is 17 through 13 and for girls is 7 through 16.

# Students to receive fitness awards here

GRANITE CITY - Several Granite City South students competed in the President's Council on Physical Fitness competition here last week.

An 85 percent on six tests was required in order to qualify for an award. The six divisions of competition

were: The 50 yard dash; the 600 yard run; the shuttle run; the long jump; sit ups; and pull-ups (flex-arm hand was substituted for the girls).

The following students will receive a certificate and a patch certifying their

achievement: John Becherer, Robert Bruno, Ann Chepley, Steve Connor (2nd award), Steve Copeland, David Diak, Brian Gallas, Viva George, Don Hill, Mike McClean, Joyce Mollet (2nd award), Julie Ross (6th award) and Steve Webb.

## Jankowski to attend UT-Martin

NASHVILLE - John Jankowski, an All-State center who has been a rugged rebounder the past two seasons at Nashville High School, last week signed a national letter-of-intent to play basketball next seasons for the University of Tennessee-Martin.

Jankowski, 6-7, averaged 17.6 points a game and 10.6 rebounds a game for Nashville, which captured the 1978 Illinois State Class A

(small school) championship.

Jankowski was recruited by many colleges throughout the country, but said he chose Tennessee-Martin because of its closeness to Nashville (a 3½ hour drive) and because it has an up-and-coming basketball program. UT-M is an NCAA Division II school.

Roger Steig, a 6-7 forward

from Nashville earlier this month announced plans to attend the University of Mississippi next fall.

Jankowski played center in high school, but said he plans to try the forward position at UT-M.

Jankowski narrowed the choices to the University of North Dakota and Tennessee-Martin before he made his choice.

## Soccer league starts

ALBERS, Ill. - Another first took place here Sunday...a traveling soccer league started play.

The Under-16 Division of the Metro Soccer League played its first league games Sunday afternoon in this

rural community some 35 miles southeast of Granite City.

In the league action, Alton beat Belleville 5-0, Collinsville beat Granite City 10-5, and the Granite City Soccer Club drew a bye.

## Bills land Kahok

COLLINSVILLE - Former Collinsville basketball standout Gary Kerkemeyer announced here Friday night that he has signed a national letter-of-intent to play at St. Louis University next season. He made the announcement at the Collinsville High School awards banquet.

Kerkemeyer, 6-7, led Collinsville in scoring and rebounding during the past season. He scored at a 24.6 points-per-game clip and pulled down an average of 10.5 rebounds a game in helping Collinsville to a 23-6 record.

# Life after death

**EDITOR'S NOTE:** This is the sixth in a series of 15 articles exploring "Death and Dying: Challenge and Change." In this article theologian and psychologist Edgar N. Jackson examines beliefs in immortality from prehistoric times to the present. This series was written for COURSES BY NEWSPAPER, a program developed by University Extension, University of California, San Diego, and funded by a grant from the National Endowment for the Humanities.

Copyright (c) 1978-1979 by the Regents of the University of California.

**VI. LIFE AFTER DEATH — OLD AND NEW MEANINGS.**

By EDGAR N. JACKSON

Luke played professional football. He was big, tough and assured.

When the doctor told him he had cancer and had only a few months to live, Luke was angry, confused, and felt cheated. "Why me?" he asked the hospital chaplain. "What's life all about if death comes so quickly? What's next? Is this the end of me?"

Luke's questions are our questions, too.

Dead and buried — the end? Doesn't some part of us survive the cessation of biological function? These are old and persistent questions to which humans for ages have sought answers.

Beliefs about some form of life after death are among our oldest known concepts. Neanderthal people, more than 100,000 years ago, buried their dead with ceremonies that suggested beliefs in the immortality. In Persia, 60,000 years ago, grain and other provisions were placed in the grave for use in the next life.

Some of the most towering monuments of history — the pyramids of Egypt, Central America, and Mexico, for example — are evidence of the persistent belief in survival after death.

**RELIGIOUS TRADITIONS.**

Traditionally, most major religions have expressed beliefs about an after life for the human soul. Such conceptions of life after death have taken various forms, from the vision of a bleak underground of the Homeric Greeks, through the prospect of judgment of the ancient Egyptians and the Judeo-Christian tradition, to the Hindus' and Buddhists' belief in the almost endless series of reincarnations.

Taken together, the importance of such beliefs in different religions suggests a persistent human need to believe that some form of existence continues after physical death.

Meanwhile, materialistic philosophies that seek to reduce the human to the level of a biological organism give a simple answer to the question of life after death: When the human "machine" wears out or breaks down, it is finished. To think of life after death is self-deception, we are told, and to encourage such an idea is at best religious manipulation or at worst, cruel.

However, after a steady decline in religious participation, we have recently witnessed in the United States a resurgence of religious and spiritual activity in both traditional and nontraditional forms. Evangelism, faith healing, prophecy, as well as occultism, sanitarianism, witchcraft, spiritualism, and the scientific study of the supernatural are all current manifestations of the ancient yearning for answers to the mysteries of death. Capping this renaissance of spiritual questing has been excitement over the prospect of providing scientific verification of survival after death.

**LIFE AFTER DEATH.**

Recently, for instance, much interest has been shown in the writings of Raymond Moody and Elisabeth Kubler-Ross, who explore the experience of surviving clinical death, in which there are no apparent vital signs.

Dr. Moody, a physician, in his best-selling book "Life After Death," reports numerous accounts of individuals who had appeared "dead" or been very "near death" and who survived to tell of wondrous, peaceful feelings, cities of light, and glowing vistas.

Kubler-Ross, the well-known psychiatrist, has publicized her own out-of-body experiences as well as her conviction that the human spirit survives the death of the body.

The tremendous interest in such accounts appears to be a quest for reassurance that life cannot be blotted out by a biological event called death. Traditionally, religion provided such assurances. It is significant that people now look to science for answers.

However, it would be unfortunate if the answers were misleading. As Dr. Samuel Vaisrub, editor of the "Journal of the American Medical Association," observed, "Resuscitation is not resurrection."

Nor is resuscitation a substitute for reality. Robert Kastenbaum, superintendent of Cushing Hospital in Massachusetts, has studied responses to clinical death and finds that most people don't seem to have "life after life" experiences.

It seems more reasonable to seek answers that are less dramatic than accounts of resuscitated patients but more valid in their scientific perspective on consciousness and the nature of reality. Here our quest may be more rewarding and our finding more trustworthy.

**IMMORTALITY AND THE SUPERNATURAL.**

New scientific attitudes have recently made all human experience, both physical and psychological, a valid field for laboratory examination. One such area of research is the supernatural and extrasensory experiences, such as mental telepathy, that cannot be readily explained in terms of our known sense organs.

For example, when I speak at conferences on consciousness and ask how many believe in immortality, few raise their hands. But when I ask how many have had extrasensory experiences, the response is often nearly unanimous.

Yet the two concepts are related. The extrasensory of paranormal illustrates a different relationship to space and time. The laboratory methods now being used to explore consciousness as well as clairvoyance, telepathy, and precognition are beginning to shed light on the possibility of human life after death.

In medical centers around the world, neurologists are expanding our knowledge of the human mind. Indicative of the new trends in medical research on the frontiers of the mind is a 1977 article by psychiatrist Ian Stevenson in the highly respected "The Journal of Nervous and Mental Diseases."

Stevenson, after studying more than 1600 cases of persons who claimed to have previously occupied other physical bodies, concludes, "The evidence of human survival after death is strong enough to permit a belief in survival."

This does not, of course, prove that any aspect of the person or mind does in fact, survive death. Many researchers still believe the evidence is inconclusive, and to take any position is really a matter of faith.

**CONSCIOUSNESS.**

Other questions still remain, however. If consciousness can be measured by electrical impulses — as indeed it can — then we know it must exist objectively. Modern physics teaches us, however, that energy can be neither created or destroyed, but is perpetually transformed. Therefore consciousness may not be simply a function of biology, but it may go beyond time boundaries.

If consciousness with its energy is unique, would it be the only thing in creation to be destroyed? If energy survives all forms of change, what happens to the energy of consciousness?

If traditional physics had a space-time frame, it is clear that death was built in; but in energy physics, which permits us to go beyond the space-time concept,

how is death possible? Is death or the idea of death an illusion measured by the limits of sensory perception? These are the questions that are presently being posed.

Exploration into the human mind may well be the most challenging frontier of research in our century. The flight to the moon found a dead heavenly body. The journey into the depth of consciousness is finding new, amazing powers in living human beings.

If we can discover how these mental capacities in and out of the space-time frame help us understand the creative power of the mind, we may be on the verge of a breakthrough in self-understanding that can affect our social relationships as well as our personal health and well-being.

If we are preoccupied with preserving old modes of thinking about life and death, heaven and hell, salvation and damnation, we threaten to do violence to our expanding knowledge by demanding conformity to outworn concepts.

If we can take the experience of the ancients, however, and understand it in terms of newly discovered resources of consciousness, we may verify the old while continuing to enhance our understanding of the new.

To do so may permit us to reach an even higher level of comprehension of human consciousness and our psychic energy and to explain those experiences that have baffled ancient and modern alike.

The views expressed in COURSES BY NEWSPAPER are those of the authors only and do not necessarily reflect those of the University of California, the funding agency, or the participating newspapers and colleges.

**NEXT WEEK:** Dr. Avery Weisman of the Harvard Medical School discusses the experience of dying from the viewpoint of patients, friends and family.

## Expect big crowd at '79 May Day

A capacity crowd is expected at the Granite City High School South annual May Day Festival, Friday, May 18, in the Memorial Gymnasium, beginning at 8 p.m.

Members of the court elected by the student body are: Christy Bauer, the May Queen; Mary E. Eaney, Bonnie Luebert, Dana Harris and Kim Rapp as the Queen's escorts.

Tickets to the event must be purchased in advance.

## Variances are granted

The Granite City Council has upheld the recommendations of the city's Board of Appeals in granting variances to nine petitions.

Approved were requests by:

Keith Buckingham, 1732 Spring, to construct an unattached garage three feet from his side property line.

John Presley, 3233 Davis, to construct a garage next to the side easement.

John Kampman, 1701 Edison, to construct an unattached garage three feet from the side and rear property line.

George Proffitt, 2312 Wilson, to construct a patio garage next to the side property line.

Norman Mahl, Gary Avenue and Maryville Road, to construct a new residence 15 feet from the front property line.

Fred Brooks, 2138 Adams, to construct an unattached garage three feet from the side and four feet from the rear property line.

Daniel Neal, 2837 Dogwood, to construct a garage five feet from the side property line and construct a carport 18 feet from the front property line.

Wasco Sitch, 2659 Washington, to construct an unattached garage next to the side property line.

Albert G. Wright, 2430 Delmar, to construct an unattached garage next to the side and rear property lines.

The board held over a request from Will Bowers, 2662 State St., to construct a garage one foot from the side and rear property lines because Bowers was unable to attend the zoning board meeting.

UNDERCOATING — RALPH'S TEXACO 22nd & MADISON AVE.

IN MADISON & PONTOON BEACH

**SEPTEMBER WEDDING** is planned by Miss Mary Winfield and her fiancé, Bradley Alan Boone. Miss Winfield is the daughter of Mr. and Mrs. Millard Winfield, 1845 Bremen Ave.

## Mary Winfield to marry

The engagement of Miss Mary Elizabeth Winfield and Bradley Alan Boone is being announced by the bride-elect's parents, Mr. and Mrs. Millard (Sylvia) Winfield, 1845 Bremen Ave.

The groom-elect is the son of Mr. and Mrs. Dennis (Nettie) Boone, 2705 Sunset Drive.

Miss Winfield is a graduate of Granite City High School North, and is employed at the Tri-Cities Area Chamber of Commerce.

Her fiancé graduated from Granite City Senior High School and is employed by P.S. Tire Co.

A Sept. 1 wedding is being planned by the engaged couple.

**EASTER EGG HUNT** in Stearns Park is enjoyed by the children of members of Granite City Junior Service Club. Gathering eggs with Easter bunny are from left front row, Keri Weckman, Grant Badger, Corey Reed, second row, Shelly Wachter, Kristi Holsinger, April Polivick. Back row, Ryan Repp, Susan Wachter and Amy Bates.

## Service club hosts egg hunt

Mrs. Linda Gordon and Mrs. Gail Mofsky served as chairmen of an Easter egg hunt at Stearns Park for the children of members of the Granite City Junior Service Club.

The first event of its kind for the youngsters was followed by a winner roast and visit from the Easter bunny, who awarded prizes to those who found the most eggs. Glen Sprankle and Greg Badger, Keri Weck-

man found the "mystery" egg.

Others attending were David John and April Polivick, Matthew Niebur, Darrick Nighohossian, Matthew Gordon, Greg Weckman, Shelly Wachter, Susan Wachter, Grant Badger, Corey Reed, Kelly Reed, Kristi Holsinger, Marcy Holsinger, Richard, Ryan and Rod Repp, Jennifer Harris, Elizabeth Harris and Jessica Harris.

## Former residents name son Craig

Mr. and Mrs. Craig (Gina) Doan of Jacksonville, Fla., are announcing the birth of a boy born on Sunday, April 15, at Oliver Anderson Hospital, Maryville.

The new arrival weighed six pounds, 15 ounces, and has been named Craig Alan. Mrs. Doan is the daughter of Mr. and Mrs. Robert Cleaton, Pontoon Beach, and the paternal grandparents are Mr. and Mrs. Clyde Doan of California. Great-grandparents, Mr. and Mrs. Thomas Feldpausch, reside in Washington Park, Ill.

## Westbrook is chapter speaker

Senior Regent Sara Gusewelle presided at the meeting last week of the Women of the Moose. The guides escorted Chuck Westbrook into the chapter honors.

He thanked all the members who helped with the Easter egg hunt for the children. He gave special thanks to Rosella Mead for the work she did during the time Jean Teller was ill. The members gave him the chapter honors.

Pro-tems for the evening were Veronica Wilson, Leitha Worthen, Birdella Meyenburg, Diana War-nhoff, Maureen Burris, Gladys Markovich, Donna Westbrook, Louise McClanahan, Anna Kuzma, Velma Finney, Alice Skaggs, Irene Kozma, and Mary Driscoll.

The following were voted into membership of Granite City 247: Mesdames Patricia Becker, sponsored by Lena Sepp; Theola Garcia, Glenda Davis, Karen Manner, all sponsored by Loretta Miller; Kay Hoffman, Frieda Handlo Viola Favier, all sponsored by Rosella Mead, Judy Broshov sponsored by Margaret Roseman, and Cherie Rozema, sponsored by Rosella Mead. They will be enrolled into membership Wednesday, April 25 at the membership dinner. Cake and coffee were served to 27 members by the membership committee, and prizes were awarded.

## Passover seder at St. John United

On Maundy Thursday 200 members and friends of St. John United Church of Christ, 2901 Nameoki Road, celebrated a Passover Seder and communion. The event, sponsored by the Chancel Choir, was chaired by Marcia Buenger, Barb Suess and Nancy Wilson. Leading the unique religious service, ere Pastor Sheldon Doyel and James Mory.

The seder is the Passover feast which commemorates the Jews' flight from Egypt. Every aspect of the seder has symbolic significance, and down through the generations it has acquired deep emotional and spiritual meaning, the pastors noted.

Of a Jewish festival, Passover is the most vivid and dramatic. No other festival has developed as distinctive a home ritual, the seder, with its special prayer text the Haggadah, he added.

For Christians, Passover is of special interest since it provides the historical background for the Christian festival of Easter. The Last Supper, which Jesus shared with his disciples, was most probably a Passover seder. Such concepts as the lamb of God and the wine and bread of communion originated in the Passover ritual, Rev. Mory said.

Symbolic elements from the traditional seder which were used at the dinner included bitter herbs (horseradish), charoses (apple, cinnamon, date, raisin, pecan and wine mixture), and potato Kugel. Prayers and ritual from the Haggadah, a special prayer text used at Passover, were used at the seder.

Holy communion was celebrated at the conclusion of the seder, which last two hours.

## Madison Jr. Service elects

Officers for the coming year were elected at the April meeting of the Madison Junior Service Club. They are: president, Carol Robertson; first vice-president, Fannie Fisk; second vice-president, JoAnn Gushleff; third vice-president, Caroline Champion.

Recording secretary will be Dottie Caffrey, corresponding secretary is Diane Hudzik, general treasurer is Donna Woodard, and the new board members will be Rita Barnhart, Donna Dorris, and Janet Shultz.

During the business meeting, it was voted to send donations to Parents for Special Education, Art and Education fund from St. Louis, American Cancer Society, and the Happy Strings Tamms of Madison. A note was read from the Shriners telling of their annual parade, which will be held Tuesday, June 5.

The Madison club has decided to participate in the parade again this year.

A thank-you note was read from the Southern Illinois University at Edwardsville Rape Crises Clinic for the club's donation.

A discussion was held on the Federation Meeting which will be held Saturday at Schnuck's in Collinsville. Caroline Champion will be the federation treasurer for Madison Junior Service.

The meeting was adjourned and refreshments were served by the hostesses Teresa Rhoades and Janet Shultz. The following members were present: Margaret Amisch, Rita Barnhart, Dottie Caffrey, Caroline Champion, Shirley Clark, Fannie Fisk, JoAnn Gushleff, Mary Anna Kaminski, Donna Kostecki, Teresa Rhoades, Carol Robertson, Janet Shultz, Julie Voloski, and Donna Woodard.

## Mrs. Julia Voloski is elected president

The Madison City Organization Ladies Auxiliary held its regular monthly meeting at the Madison Firemen's Hall last week.

Tickets were issued and final plans were made for the group to attend the Plantation Dinner Theater in St. Louis on Thursday.

Election of officers was held. Officers for the coming year are: president Julia Voloski, vice president Zella Niehaus, treasurer Ida Dant, secretary Hilda Graville, marshal Angela Vavra and chaplain, Winnie Sasyk.

Mary Rogenski is the retiring president.

**Mrs. Tomlinson shower honoree**

Mrs. Theresa Tomlinson and daughter Tara were honored at a shower given in the home of Mr. Harold Taylor, 19 Wilson Park Drive.

The shower honoree is the former Miss Theresa Myers, daughter of Mr. and Mrs. Thomas Myers of Granite City. She and her husband Bruce are residing in El Paso, Texas.

Those giving the shower were Kathy Bartz, Marianne Shemwell, Theresa and Dolores Friedrich.

Bingo games were played and prizes were awarded. Those attending were: Dorothy Eftink, Marie Straussner, Shirley Smith, Charlotte Pyle, Della Lane, Debbie, Donna, Tina, Mary, Sue, and Pat Taylor, Valerie Bergschneider, Linda and Kim Hale, Vi Landers, Cheryl Martin, Sandy Jordan, and Mary Myers.

A social hour followed the meeting, hosted by Mayor Dubish, Julia Goclan, Fritz Trotts, Sadie Wojcik, Vivian Anselmo, Marie Hoekstra, Mollie Besserman, Maxine Costoff, Nancy Robbins, Helen Knezevich, Irma Manning, Cora Barr, Dolly Smith, Debbie Topal, Mary Bucherich and Vera Sikora.

Other members in attendance were Pauline Dubish, Julia Goclan, Fritz Trotts, Sadie Wojcik, Vivian Anselmo, Marie Hoekstra, Mollie Besserman, Maxine Costoff, Nancy Robbins, Helen Knezevich, Irma Manning, Cora Barr, Dolly Smith, Debbie Topal, Mary Bucherich and Vera Sikora.

## Nu Zetas plan spring events

The Nu Zeta Chapter of Beta Sigma Phi met last week in the home of Carol Morlein. A decision was made to sponsor a food depository for the Tri-Cities Area United Way.

Members discussed the annual Mother's Day brunch to be held at Charlie's May 20. Plans were made concerning the May 1 rush for new members. A float trip will be taken by the members and guests Aug. 3-4.

The program for the evening was based on the book of Beta Sigma Phi. Leoma Macek read passages from the book, and members discussed the background of Beta Sigma Phi for guests.

Those present were: Margie Williams, Leoma Macek, Cheryl Barton, Marcie Johnson, Amy Brasfield, Rhonda Dooley and the hostess. Guests were Lana Jenkins and Debbie Hansgin.

**FIRST ANNIVERSARY** of the Farrar Terrell Senior Citizens Club was celebrated last week at the West Madison Recreation Center by the group's 60 members and guests. Holding a cake are Mrs. Helen Jiles, president, on the left and Mrs. Lucille Williams, secretary. (Press-Record Photo)

**MR. AND MRS. ELDON E. STEARNS** will celebrate their 25th wedding anniversary April 29 at a reception in their honor at Dad's Club Park in South Roxana. The couple is formerly of Granite City.

## Stearns will mark silver anniversary

A reception in honor of Mr. and Mrs. Eldon (Myrtice) Stearns' 25th wedding anniversary will be held Sunday, April 29, at Dad's Club Park in South Roxana. The couple's children are hosting the event.

The Stearns reside in South Roxana, and they were married April 17, 1954 at Calvary Baptist Church in Granite City.

Stearns has been employed as an engineer for Granite City Steel for 20 years. His wife is employed by the South Roxana Water Department, and has been for 15 years. They are active members of St. Paul

Lutheran Church in Wood River. They are members of the Volunteer Firemen's Association and Auxiliary, and Mr. Stearns is also a Mason.

The couple has six children: Mrs. Linda Cox of E. Alton, Mrs. Elaine Lewis of Godfrey, Mrs. Mae Horn of Fort St. Lucie, Fla., Dennis Stearns of Bethalto, Mrs. Bonnie Childers of Tarpon Springs, Fla., and Wilma Brim of Granite City.

Friends and relatives are being invited to attend, as no invitations are being sent out.

## Nurses alumnae meet

St. Elizabeth Hospital Nurses Alumnae held their regular monthly meeting at the home of Georgia Harlow.

A buffet dinner was served. The business meeting was opened by the president, Mildred King. The regular prayer book was read by all. Maxine Carson read the minutes, and Georgia Harlow gave the treasurer's report. Josephine Czevinski reported on the sick.

A discussion was held concerning the annual tea to be given at the St. Elizabeth Medical Center May 8. The classes of 1929 and 1954 will be honored.

Maxine Carson and Marge Hiker gave a report on the meeting attended at the hospital on Hospice.

Members present were: Eunice Oras, Dorothy Bruce, Alma Ryan, Sister M. Marce, Roberta Gerke,

Carol Buenger, Edna Wallace, Bernadine Cooley, Gladys Burgess, Amelia Rapp, Clara Krause, Bernice Gushleff, Lorena Turner, and Norma Cox.

### State leader plans visit to Salon 53

Madison County Salon 53, Eight and Forty, met in Highland, with 16 partners present.

Chapeau Dorothy Hinson presided. Reports of the spring pouvoir, held in Pontiac, were given.

Plans were made to entertain the state's departmental chapeau on May 26 at the Legion Home in Venice.

The next meeting will be held May 15 at the Legion Home in Alton, where there will be an election of officers.

Those attending the meeting in Highland were from Alton, Alhambra, Highland, Granite City, Madison and Venice.

### Erik Smith is baptized

Erik Dale Smith, infant son of Mr. and Mrs. Vernon Dale (Peggy) Smith, 3131 Wayne Ave., was baptized in a ceremony held in the home of his grandparents, Mr. and Mrs. Les Mitkos, 2824 Forest Ave.

Officiating was the Rev. Leslie J. Mitkos of Jackson, Mo., an uncle of the infant. Godparents were Ron and Shelly Haldeman.

The baby was born on March 27 at Christian Hospital Northwest, St. Louis.

Guests included the paternal grandparents, Vernon and Louise Smith, great-grandparents, Mr. and Mrs. Harry Grannemann, St. Louis, Mrs. Yvonne Mitkos and children, Chip, Matt, Martha, and Andy, Mrs. Sandra Mooney and children, Mike, Casey and Kim of St. Peters, Mo., Mr. and Mrs. Steve (Shelia) Fasick and children Jeff and Adam, Benjamin Haldeman, and Lon Andrew Smith, brother of the honoree.

### Mrs. Culpepper class hostess

The April meeting of the Sunshine Class of Second Baptist Church was held at the home of Margaret Culpepper, 2300 Logan Ave. The meeting opened with the class theme song, "Heavenly Sunshine," followed by prayer by Alma Burnett.

A devotional on "Love" was given by Betty King, after which Margaret Culpepper read a poem entitled "Someone Cares." Closing prayers were given by Gladys Hudgens and Evelyn Smith.

Present were, Margaret Culpepper, Betty King, Norma Rains, Esther Davis, Alma Burnett, Gladys Hudgens and Evelyn Smith.

**MARRIED.** The former Miss Ann Bickhaus married James Dean Peters in a candlelight ceremony April 7. She is the daughter of Mr. and Mrs. Ernest Bickhaus of Hettick, Ill., formerly of Granite City.

### Ann Bickhaus becomes Mrs. James Peters

The former Miss Ann Bickhaus, of Granite City, became the bride of James Dean Peters in a candlelight ceremony April 7. The bride is the daughter of Mr. and Mrs. Ernest R. Bickhaus, of Hettick, Ill., formerly of Granite City.

The groom is the son of Mr. and Mrs. Carl D. Peters, 3001 Fehling Road.

Rev. Max Martin officiated at the double-ring ceremony at Nameoki United Methodist Church at 6:30 p.m. The altar was decorated with lavender and white fuji chrysanthemums. A white bridal candleabra and aisle candles featured large white satin bows and greenery.

Pianist Carolyn Jenkins accompanied vocalist Barb Schmitz as she sang, "One Hand, One Heart," "Sunrise Sunset," "Wedding Song," "Lord's Prayer," and "Follow Me."

The bride selected a floor length gown fashioned of candlelight chiffon over taffeta featuring a stand-up collar, and a capelet which was enhanced with tiny covered buttons.

A draped cummerbund accented the natural waistline. The flared skirt was designed with an overlay of chiffon and fell into a chapel train.

The bride chose a picture hat of chiffon with a rose of self fabric. She carried a bouquet which resembled an early turn-of-the-century

style of silk mauve roses, violets, and forget-the-nots with ivory streamers.

Maid of honor was Miss Patricia Bickhaus, a sister of the bride. Bridesmaids were Mrs. Pamela Docter, a sister of the groom, and Mrs. Jane Franko. Flower girl was Anne Marie Hewlett.

The groom chose Gerald Prout as best man. Groomsman and ushers were Monty Docter, a brother-in-law of the groom, Rich Kozer, Brad Bickhaus, a brother of the bride, and Ed Franko. Candlelighter was Steven Bickhaus, a brother of the bride, and ring bearer was Nicholas Docter.

A rehearsal dinner was held at the Plankhouse in St. Louis. A reception was held following the ceremony at Sunset Hills Country Club in Edwardsville.

The bride graduated from Granite City High School in 1971, and from Southern Illinois University at Edwardsville in 1975 with a B.S. She is presently employed as a sixth grade teacher at Johnson School.

The groom graduated from Westminster College in 1971 with a B.A. in history and political science. He attended graduate school at Colgate, was a member of Phi Alpha Theta, and is employed by Senator Smith in legislative internship.

The newlywed couple is residing in Granite City after a wedding trip to the Ozarks.

### Loftus-Waggoner betrothal

The engagement of Tana Marie Waggoner of St. Charles, Mo., and Mark Brian Loftus was announced at a family dinner party.

Parents of the bride-elect are the Rev. and Mrs. F. L. Kennon of St. Charles, Mo. The groom is a son of Mr. and Mrs. Mickey Loftus, 26 Bermuda Lane.

Plans are being completed by the engaged couple for a June 15 wedding to be solemnized at Suburban Baptist Church.

The bride-to-be graduated from Piquetteville High School and is employed as a receptionist-secretary at Schuster Business Machines Co.

Her fiancé is a Granite City High School graduate and also attended Southern Illinois University at Edwardsville. He is working as a service representative for the Schuster Business Machines Co.

### Eyes on Assembly as replacement tax is debated

Quad-City school officials are extremely concerned about the way in which the outlived corporate personal property tax will be replaced. Below are guest comments on the topic by Illinois Education Supt. Joseph M. Cronin.

Let me summarize the major issues of replacement and of distribution that the governor and General Assembly cannot avoid.

**Replacement issues:**  
1. The replacement tax must replace extensions (or billings) rather than collections. In 100 counties, the collection rate runs at 96 or 97 percent. In Cook County, extensions have risen 8-10 percent a year, which resembles income growth as well as average inflation, while collections overall have dropped from 65 percent in the early 1970s to 55 percent in 1975 to 42 percent in 1977 — as though someone knew this tax was dying on the vine.

One township, Leyden, reports collections of over 85 percent in one school district and of only 10 percent in another small district, which shows how unfair it is to average the collection.

State school aid formulas always attribute to school districts the wealth factor as calculated by extensions — full value — as opposed to negotiated or adjudicated collections.

One school superintendent suggested that all the figures, Cook and downstate, are shamefully below the levels at which corporate personal property should have been assessed in contrast to other states with similar experience. Thus, even the extension level may be low, but it may suffice.

2. Most school districts seek a dollar-for-dollar replacement, with provisions for an escrow account and emergency loan if there should be tax challenges or court cases.

3. An adequate growth figure must be built in. A flat figure of 3 percent or 5 percent is far too low. Over the next ten years, normal growth in this or any property tax might have been 80 to 100 percent. Any lesser amount, even when compounded, would shortchange the schools, the community colleges, and other services. The figures should be tied to income growth or to the price index.

4. The timing of the replacement tax and collections is an urgent matter — to school officials in Peoria, in Granite City, or in Chicago, which counts on more than \$40 million a year from this source alone.

Many districts must borrow in anticipation of tax revenues but count on this tax as of September or October 1979. The corporate personal property tax stream dries up this summer for the

schools. The tax, which the voters agreed to abolish as of January 1979, cannot be replaced in any other year but 1979.

**Distribution issues:**

1. No proposal can assume that all county data or information on schools or local government are accurate and adequate. Some counties have lumped several types of property tax together.

Railroad tax data has been especially difficult to separate. Any bill must provide for data collection and verification as the funds are assigned to schools and to other units of government.

2. The bill must include measures to raise or eliminate the statutory debt limit on school construction bonds. One district, Mahomet, cannot complete a new high school now under construction, because the total assessment without corporate personal property now drops and bond counsel will no longer recommend issuance of the remaining bonds needed, since the district will exceed the current statutory 12 percent limit. The roof can be built but the school cannot be furnished or equipped to provide for students.

3. The replacement dollars must go into each of the separate local school district funds, for otherwise some of them, such as bond and interest accounts or, the retirement fund will rise upward automatically and shift burden to the local real estate property taxpayers.

The general school aid formula, if made current, can shoulder much of the distribution load but not for certain districts with above-average assessed valuation.

4. The State Board of Education, which recommends each year the \$2 billion or more needed for schools, should be written into the bill. We keep track of mergers, annexations and other changes in school district status.

We distribute state and federal funds, even from the Department of Agriculture for school nutrition programs. Schools are not local governments and school officials work with the State Board and its administrative arm, the Illinois Office of Education.

We do not present a tax package with percentages or surcharges. We do represent two million school children who will be watching grownups to see if they concoct new games such as "switch the incidence" or "shift the load."

We remain confident that persons of integrity and high intelligence will find ways to create a new tax picture that silhouettes recent extension levels and provides for the vital needs of schools and colleges now and for the 1980s.

### Use likely

(Continued from Page 1)

proximity to railroad tracks and busy Route 162, nevertheless is of interest for non-school purposes and is expected to attract active bidding.

Duals of the bid procedure remain to be worked out but will receive high priority now that a final decision has been made to close the three school centers. Boundaries have been revised for assignment of the three school's pupils to other buildings, and final staffing decisions for the various District Nine schools are now being made by administrators.

Although outright sale of unneeded school buildings is a distinct possibility, and the district could put the proceeds to good use due to its current financial squeeze, the Board of Education may also be receptive to a

Belleville Area College lease offer because of the general interest in seeing a daytime college center launched here.

BAC already has an extensive night school program in Granite City, Madison and Venice, and there also is thought to be a need for day classes. The college would prefer to lease rather than buy classroom space.

The BAC Board of Trustees indicated Thursday night it is giving "carte blanche" to college administrators to devise some form of daytime center to serve the populous local community.

Duals of the college's study that available locations will be carried out by Larry Schmalenberger of the BAC staff.

### Hospital notes

Admitted to St. Elizabeth Medical Center, April 16, Jacquelyn Ashcraft, Elizabeth Stevens, Fern Terrell, Kevin Patterson, Mary McLean, Nancy Boone, Jeff Rush, Wendy Martin, Walter Bronson, Louise Koester, Linda Laswell, Barbara Olson, Tracy Young, Elizabeth McLean, William R. Hogan, Cathy Richey, all of Granite City, Charles McGuire, St. Louis, Beatrice Henry, East St. Louis, Ellen Griffin, Venice, Jessica Watson, Scott Boxner, Arnette Sumpter, Edwardsville. Admitted April 17, Peggy Scroggins, Tracie Cottrell,

Stella Badgett, Dan Grupe, Marcel Parnon, Glenn Scott, Needham, Randall Van Gilder, Sheila Wells, Zebada Kinder, Linda Stufflebeam, Warden Glenwood, Patricia Reynolds, Howard Weston, Kristine Vaughn, all of Granite City, Malcolm Johnson, East St. Louis, Sylvia Townsend, Venice, Edward Kimbro, Greenville, Ill., Halle Nixon, Madison, Mo., Admire E. Edna Gean, Florence Hastings, Irene Hauptmann, Jean Fritz, Theresa Morgan, Lennis Young, all of Granite City, Mildred Herring, Fidelity, Ill., Mildred Gates, Alton, Betty Paradise, Madison.

**WALKATHON BEGINS.** Over 500 children walked Sunday afternoon for the March of Dimes. Art Menendez was chairman of the event, shown starting near the Wilson Police Station. The Illinois Free Spirits React CB was assisted in providing safety cars and mobile units. Members of Boy Scout

Troop 15 assisted with the registration. Also assisting with the event were St. Elizabeth Medical Center Candy Stierper and the walkers were served refreshments as they passed Granite City Steel. Over \$10,000 is expected to be raised by the "superwalk."

(Press-Record Photo by Mick Strangle)

## Judges Gibbons, Williams fail reappointment votes

The words "shocked," "amazed," "disappointed," and others were being used frequently around the Granite City Hall and court facilities Thursday after city employees and court clerks learned that Associate Judge Thomas Gibbons, who has been assigned to court in Granite City the last two years, had not been retained and will no longer be a judge after June 30.

Gibbons and Associate Judge Clayton R. Williams failed to achieve the necessary three-fifths vote of the circuit judges of the Third Judicial Circuit in secret balloting to achieve retention.

Gibbons expressed surprise at the vote results, saying he had consulted with the circuit judges as recently as three weeks ago on his performance and had not heard any negative comments.

Granite City Chief of Police Ronald J. Veizer said he was "very shocked and

surprised" at the news and he commented, "Judge Gibbons has been our judge on several occasions and has always given us a fair shake and took the time to explain his decisions to us, so we knew where we stood. It was quite a shock to me and most of my officers."

One officer summarized the feelings of many of the police, stating, "He's the best darn magistrate (associate judge) we have ever had in Granite City. It's a real shame."

Gibbons indicated he probably will return to private law practice, rather than apply for reappointment.

Associate judges receive \$45,000 a year.

The seven circuit judges will vote on applicants to succeed Gibbons and Williams. Both may re-apply for their judgeships.

Associate judges need only a simple majority for appointment, but a three-fifths vote to be retained.

Gibbons has been a judge since 1972 and Williams, the only black judge in the circuit, was appointed in 1973. Williams has been assigned to the East Alton branch of the court.

Attorneys in that area who have worked with Judge Williams also expressed surprise at the announcement he would not be retained.

Some sources indicated they feel a Madison County Bar Association poll of the 60 member lawyers in the county may have been the cause of Gibbons' ouster. The results of the poll were given to the circuit judges just before the retention votes were taken.

Although the poll results have been kept secret, some lawyers have indicated Gibbons was rated last.

Attorneys licensed to practice law in Madison and Bond counties have 30 days to apply for the two judgeships, which will be filled by the circuit judges.

**ROOMING IN.** Little Cassie Cerkoski, daughter of Mr. and Mrs. Michael L. Cerkoski of Gillespie, spent the first days of her life with her mother at St. Elizabeth Medical Center. Mrs. Cerkoski made use of the center's Rooming-In program, which allows the newborn infant to stay in the mother's room during her stay at the center. Cassie was born April 9 at 12:37 p.m.

### Arrest after fight

Timothy J. Harper, 24, of 2417 Namook Road, on a report of a fight. When officers arrived, Harper was on the ground unconscious.

Witnesses alleged Harper had attempted to start a fight with another man and was struck. A city ambulance took him from the scene, but ambulance attendants called and reported they stopped at Victory Drive and Nameoki Road after Harper allegedly hit one attendant.

He then was taken to the Granite City jail where he was released after posting \$35 cash bond at 1:30 a.m. Friday.

## 'Getting to know you' ...mother-infant theme

You painted the spare bedroom and made it into a nursery. You've added all the right touches to give the room little signs that a baby lives here. But when it comes right down to delivery time, how will you get to know that small person, your child?

St. Elizabeth Medical Center has a program available to expectant mothers to aid in this introductory process.

Called Rooming-In, the program involves mother and child with the professional guidance of the nursing staff, all working together to assist them in learning about each other.

While the mother is at SEMC the obstetrics nursing staff helps with feeding and diapering the baby. The mother takes over this service.

duties at the local medical center as soon as she feels able to do so.

This program is available to each expectant mother, conditions permitting, after the birth of her child.

Another feature of the program is that the child stays in the mother's room from 9 a.m. to 9 p.m. so the mother is able to get her rest at night while she is staying in the medical center.

Doctors at the medical service in the past have commented that they were given the chance to get to know their baby well before taking him or her home, and that they were able to learn how to care for their baby.

Doctors at the medical center highly encourage new mothers to make use of this service.

### News notes

The U.S. Court of Appeals in Washington ruled Friday against the new practice of allowing financial institutions to move funds automatically from interest-bearing savings to checking accounts when needed. In its decision, which doesn't go into effect until January, the court invited Congress to change existing laws to legalize the service.

It may be 1981 before Congress funds St. Louis area bridge repairs or replacements.

Many defendants will go free unless Congress adds about 80 days to the maximum time allowed between arrest and trial. The U.S. Justice Department said during the weekend. The Speedy Trial Act, due to take full effect July 1, allows up to 30 days from arrest to the filing of a charge in court, 10 days still arrangement of utilities and a trial start within 60 days of arraignment.

Gov. James R. Thompson said Friday he will meet with legislative leaders concerning public hearings and a long-term study of the impact of nuclear power in Illinois. He received a special tax committee's recommendation that the corporate personal property tax be replaced by an increased corporate income tax, a tax on the invested capital of utilities and an excise tax on property owned by businesses.

More than 20 FBI agents are studying contracts awarded by the State Public Health Department. It has been alleged that nearly \$3 million in federal funds has been misapplied since 1975, including a \$539,000 no-bid contract.

Christian Welfare Hospital, East St. Louis, will remain open under an agreement signed Thursday. Area physicians and citizens will take charge and turn the operation over to Medenco, Inc., a Houston hospital management firm.

In the first appeals court test of the Illinois Dissolution of Marriage Act, the 5th District Appellate Court in Mount Vernon ended alimony payments to a divorced Christian County woman who allowed another man to reside in her home after the divorce.

### Car hits tree; passenger hurt

Mrs. Vivian Thompson, 58, 3108 E. 23rd St. was admitted to St. Elizabeth Medical Center at 5:45 a.m. Sunday following an auto accident.

She was reported in good condition, but suffering from bruises to the forehead, legs, elbows and hands.

Mrs. Thompson was a passenger in an auto driven by Mrs. Lucille S. Schove, 61, 2111 Louis St., who lost control of her auto at 1325 Edwardsville Road, where the car struck a tree in the front yard of Elmer Johnston.

Mrs. Schove was issued a traffic citation for reckless driving. She is to appear in court May 28 at 9 a.m.

## Clinic to evaluate handicaps

The Granite City Elks Lodge, in cooperation with the Illinois Elks Crippled Children's Commission, will sponsor a free diagnostic clinic for physically handicapped children on April 24 from noon till 3 p.m.

George Grimm, chairman of the local Elks Lodge committee, said the clinic will be held at the Elks Club (downstairs) and the general public is invited to participate.

Children with orthopedic problems, including those who have been examined at previous clinics and those physically handicapped in any way, are invited to attend for evaluation. Children from newborn to 21 years of age are welcome, and they should be accompanied by a parent or guardian.

## Desegregation ruling's 25th year is theme

Nathan Glazer, professor of education and sociology at Harvard University, will be the featured speaker on the opening day of the Three-Day Brown Conference scheduled at Southern Illinois University at Edwardsville May 2-4.

The meeting will mark the 25th anniversary of the Supreme Court desegregation decision.

Focusing on the issues of desegregation, affirmative action and de facto segregation, the conference is sponsored by the Office of the Vice President and Provost, the department of government and public affairs, and the department of historical studies at the university, as well as by the Office of the Vice President and Provost, the department of government and public affairs, and the department of historical studies at the university, as well as by the Society of Ethnic Studies.

### ASTRONOMER TO TALK MAY 3 AT SIUE

A Cornell University astronomer who believes life exists elsewhere in the universe will give the William C. Shaw Memorial Lecture on May 3 at Southern Illinois University at Edwardsville.

Frank Dranke, the Goldwin Smith professor of astronomy at Cornell and director of the National Astronomy and Ionosphere Center, will discuss "The Search for Extraterrestrial Intelligence" at 7:30 p.m. May 3 in Science Building Room 314.

### TELEVISION STOLEN

Lewison Jenkins, 193 Third St., Venice reported a 17 inch color television stolen from his home between 7:30 p.m. and 10:24 p.m. on Friday. Forced entry to his home was made.

### SHOTGUN STOLEN

At 6 p.m. Saturday Gary Allen, 210 Benton St., found that his 12 gauge shotgun was missing. The apparent theft took place during the past three days.

## Leased squad cars to be delivered to county in May

After numerous questions and with two members dissenting, the Madison County Board has voted to pay Hertz Car Leasing \$108,780 for 30 leased cars for the sheriff's department.

With tax, the figure is \$117,720. The lease is for two years. Hertz offered the lowest bid among eight received.

While leasing the cars isn't expected to save Madison County any money, Ewin Knezevich, director of administration for the sheriff's department, says the department from tradition should "decrease the increase" in costs.

"In the past, the county has purchased new cars every two years.

The Hertz bid, on 1979 Oldsmobile Cutlass Salons with V-6 engines, will cost \$150 per car per month, or \$4,350 per month for the 30-car fleet.

Second low bidder on a "closed-end" lease, was Big 4 Chevrolet of Collinsville, at \$142,027 for the two-year period.

Jung Brothers of Collinsville bid \$182,000, the next lowest bid.

Knezevich says it will cost the county \$300 more per car each year for leasing as opposed to actual purchase.

But he says the county will save on mileage costs; smaller cars, such as the Cutlass, have proved to be more economical, he noted.

and maintenance costs will be reduced.

The 30 leased cars will carry a 12-month warranty. The county will do its own repair and maintenance in the second year.

Delivery on several of the cars is expected in two or three weeks.

Deputies will each be assigned their own squad car and each will drive that car to and from work.

Sheriff department officials say patrol cars parked in driveways throughout the county will be a crime deterrent.

Last week, County Board Chairman Nelson Hagnauer, noting that most deputies live within corporate limits, questioned how this could be a crime deterrent for rural areas.

Knezevich agreed that much of the deterrent effect would be within cities and towns, but pointed out that a majority of county taxes comes from municipalities.

"Aren't you duplicating services?" Mike Semanish, Maryville, asked.

Knezevich said the sheriff will attempt to recruit deputies from unincorporated areas, but this statement drew concern from William Haine, Alton, who said the department needed more "good, young black officers, and there are very few black persons living in rural areas."

Hagnauer was concerned with the fact that the cars would only be in use eight hours a day rather than 24, the past practice.

Knezevich said the system would greatly reduce maintenance costs and would not lose patrol time over-all.

Fred Dalton, Collinsville, objected to the two-year lease, suggesting that a one-year trial period would be better.

The sheriff's budget only allows for one year at a time, Dalton said. "Next year might be a problem."

Knezevich said the Hertz price would be higher on a one-year basis. He agreed that the department might need more funds in next year's budget.

The board was assured that extensive records for each car would be kept.

Fred Bright, director of operations, said such records are being kept currently on all cars. "We have a vehicle maintenance officer specially assigned to that duty," he said.

Dalton and Charles Bode, Edwardsville, voted against the leasing contract.

**WIN LIKE MAGIC.** Carl Coleman, grocery manager of the Venice Tri-City Grocery Co. store, is shown presenting a catalog and gift certificate worth over \$100 to Dorothy Herron of Madison. She matched two halves of the "Win Like Magic" game to become the second fourth-prize winner in the firm's current contest.

## Railroad charged

A Granite City police officer signed a complaint Thursday morning against the Illinois Central Gulf Railroad alleging obstruction of a grade crossing.

The officer alleged he first found the 25th Street crossing west of Center Street blocked by rail cars at 5:25 a.m. and he drove to West Pontoon Road to find the engine and identify the railroad.

After identifying which railroad was involved, he returned to the 25th Street crossing and waited until it was cleared at 5:52 a.m., according to police reports.

## County zoning for business, mobile homes

The Madison County Board has approved the recommendations of the county's Zoning Board of Appeals to grant rezoning of property 300 yards west of the Midwest Motel in Mitchell from an R-3 single-family residential district to a B-3 highway business district.

The rezoning request was made by Lacy L. Boyer and Robert E. Richardson, who asked to use an existing building for a residence and to have about 10 acres zoned

for business use. The board also approved a special use permit for the use of the home as a residence.

The property is in Chouteau Township, north of Interstate-270.

The County Board also upheld the recommendation of the zoning board that a request of Homer Wyatt to establish and operate a beauty shop within his home at 3203 VFW Lane in State Park Place be denied. The property is in Nameoki Township.

Approved by both boards were requests for the placements of two mobile homes. Ward Wood was granted a special use permit to place a mobile home on Chouteau Island next to the former fishing lake and James Johnson was granted permission to place a mobile home at 2020 Hildebrand Ave., Cloverleaf Addition.

## See your May bill from Illinois Power

On your May bill we've calculated the amount your monthly payment would be if your residential account were on the Budget Billing basis, and you are eligible for the Budget plan.

Under Budget Billing you pay the same amount each month for your natural gas or electricity. Instead of wide fluctuations due to weather, you know what your monthly payments will be.

The amount shown for your budget payments is based on past usage. Each May your bill will be adjusted to reflect your actual usage of energy for the year. Any difference will be refunded or billed to you.

Right now is the perfect time to start on Budget Billing and level out your utility payments all through the hot summer and cold winter months ahead. Simply mark the box on the top part of the bill and return with this month's payment in full.

To start Budget Billing in June, mark an "X" as shown on the top half of your bill and return with payment in full for the amount of your May bill. For additional information, ask your Customer Service Representative.

## Movie to aid cancer drive

A movie starring George Burns and John Denver will be shown at 7:30 p.m. Friday, April 27, at the Granite City Township Center, 2060 Delmar Ave. The full length color movie's presentation will be under the sponsorship of the American Association of Retired Persons Chapter 1340 of Granite City to benefit the Granite City Unit of the Cancer Crusade. Mrs. Helen Bergfield, project chairman, said today.

The name of the movie may not be divulged to the public due to the producer's commitment while the film still is being screened in movie houses, Mrs. Bergfield explained.

Those interested in learning the film's title may call the township center at 877-4373.

The film is open to the public and tickets costing \$1 for adults and 50 cents for children under 12 years may be obtained at the door Friday night, or purchased in advance from AARP members.

"All proceeds will be given to the local Cancer Crusade," the chairman stressed. Mrs. Billie Schuler and Mrs. Bernice Hagnauer are serving as co-directors of the Granite City Cancer Crusade this year.

## City sticker sale continues.

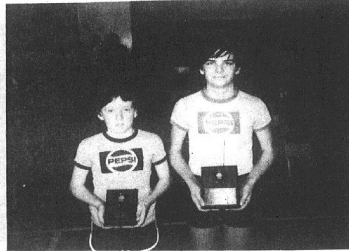

For the convenience of Granite City residents who have not yet purchased Granite City vehicle tax stickers for their cars, desks will be established at four

banks Friday and at City Grocery Saturday, at which stickers will be sold.

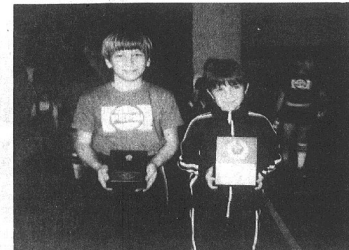

Hours Friday are 4 to 7 p.m. at First Granite City National Bank and Colonial Bank, and 5:45 to 7 p.m. at American Heritage and Granite City Trust Bank.

Saturday, vehicle stickers will be sold at Tri-City grocery from 9 a.m. to 3 p.m. Stickers also are available Mondays through Fridays during normal business hours at the city clerk's office in the Granite City Hall. The cost is \$3 for cars, through May 15 and will rise to \$5.50 on May 16. Truck stickers cost from \$8 to \$25, depending on the class of the truck.

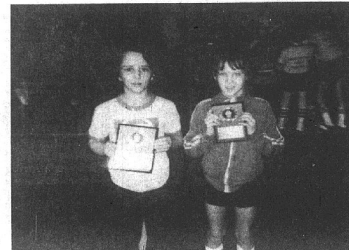

Senior citizens may purchase the stickers for \$1 at the senior citizens' center in Granite City, through May 15.

## CONTOUR ANALYSIS EXAMINATION FOR VICTIMS OF CHRONIC OR ACUTE PAIN

A free Contour Analysis examination is being offered for people with acute or chronic pain by the chiropractic offices listed below. People who suffer with backache, bursitis, arthritis, neuralgia, nerve pain, neck pain, muscle pain, bone pain, etc., are invited to receive this free examination.

Contour Analysis enables taking a three-dimensional picture (called Moire photography) of the topography of the surface of the spine to detect spinal stress deviations. This analysis will be correlated with leg deficiency, patient symptomatology, and levels of spinal tenderness. An analysis of this type can reveal such things as normal and abnormal stress patterns, spinal curvature, muscle spasms, muscle imbalance, spinal distortion, and scoliosis.

This analysis, including consultation with the doctor is being offered to the public at no charge. Anyone wishing to receive this free examination may telephone Dr. Reinhardt's office directly for information or an appointment.

**Dr. Richard C. Reinhardt**  
2861 Madison Ave.  
Granite City, Ill.

Freedman and Martin, Sedlack Funeral Home, the pallbearers, Rev. Boda, the ladies of St. John Lutheran Church, neighbors and friends, Wife and Children. 32 4 23

# In Memoriam

In Loving Remembrance of CLIFFORD BARR who passed away April 20th, 1978, we loved you and think of you always. Wife Margaret, and all our children. 33 4 26

In Memory of CAROL TEXAS DOWDY, Feb. 4, 1979. Missed by mother, brother and friends. 33 4 23

In Memory of MIKE CONKOVICH, who passed away April 24, 1948, the family. 33 4 23

# Public Notice

In the Circuit Court Third Judicial Circuit Madison County, Illinois BOBBY HAYES, Petitioner-Defendant, vs. VIOLET HAYES Respondent-Plaintiff.

No. 77-D-511

Notice For Service By Publication

The requisite Affidavit for Publication having been filed, Notice is hereby given to Violet Hayes, of the State of Texas, Respondent-Plaintiff, in the above entitled cause, that a Petition for Modification of original Divorce Decree and change of custody has been filed and an action commenced in the Circuit Court of Madison County wherein Petitioner-Defendant, Bobby Hayes, seeks a change of custody of the minor children of the parties from the Respondent-Plaintiff, Violet Hayes, to the Petitioner-Defendant, Bobby Hayes.

That summons has been duly issued out of said Court against you as provided by law, that said Petition for Modification of original Divorce Decree and Change of Custody is still pending. NOW, THEREFORE, you are notified, you, Violet Hayes, file your Response to said Petition or otherwise make your appearance at said Circuit Court of Madison County, Illinois, held in the Courtroom in the City of Edwardsville, Illinois, on or before the 21st day of May, 1979, default may be entered against you at any time after that day and a Decree entered in accordance with the prayer of said Petition.

DATED this 11th day of April, 1979.

WILLARD V. PORTELL, Clerk of the Circuit Court Attorney for Petitioner-Defendant ERIC ROBERTSON Lueders, Robertson & Konzen 1899 Delmar Ave. Granite City, Ill. 62040 618-876-8500 No. 53 34 4 16 23 30

State of Illinois ) ss.

County of Madison ) In the

Third Judicial Circuit Court

IN THE MATTER OF THE PETITION FOR THE ADOPTION OF JOSEPH WILLIAM PUFF, a minor, male child.

# Notice of Petition For Letters of Administration

State of Illinois County of Madison In the Circuit Court Of Madison County

In the Matter of the Petition for the Letters of Administration in the estate of Ella W. Foley, Deceased.

To all persons whom this may concern

GREETINGS

You are hereby notified that on the day of April, 1979, Dorothy Gathright filed a petition for the issuance of letters of administration relating to Ella W. Foley, deceased, in the Circuit Court Probate Division of Madison County, Illinois.

Said petition states that the following named persons are all the known heirs at law, legatees and devisees of the said deceased, to-wit:—

Philip Yarbrough.

And that the other heirs at law, if any, of said deceased are unknown to said petitioner.

You are further notified that a hearing will be had on the petition for letters of administration and that the same has been set by said court for the 21st day of May, 1979, at the hour of 9 o'clock A.M., in the Circuit Court Probate Division at the Courthouse in Edwardsville, Illinois, in the county aforesaid, when and where you may appear if you so desire.

WILLARD V. PORTELL, Clerk of the Circuit Court Dated at Edwardsville, Illinois, this day of April, 1979. No. 52 34 4 16 23 30

# Notice of Public Hearing

Notice is hereby given that a tentative budget and appropriation ordinance for the Town of Chouteau in the County of Madison, State of Illinois, for the fiscal year beginning April 1, 1979, will be on file and conveniently available to public inspection at No. 2 Box 697A, Granite City, Illinois, from and after 9:00 o'clock a.m., Monday, April 23, 1979.

Notice is further given hereby that a public hearing on said budget and appropriation ordinance will be held at 7:00 o'clock p.m., Wednesday, May 23, 1979, at No. 2 Box 697A, Granite City in this Town and that final action on this ordinance will be taken by the Board of Town Trustees at the meeting to be held at 7:00 o'clock p.m., on the 23rd day of May, 1979.

Dated this 18th day of April, 1979.

PATRICIA E. POLEY, Clerk No. 62 34 4 23

# CLAIM NOTICE STATE OF ILLINOIS IN THE CIRCUIT COURT OF THE THIRD JUDICIAL CIRCUIT MADISON COUNTY, PROBATE DIVISION

IN THE MATTER OF THE ESTATE OF JERI JOHNSON, DECEASED

Notice is given of the death of the above.

Date Letters Were Issued: April 19, 1979.

Administrator: Wilbur L. Johnson, 3310 Princeton, Granite City, Ill.

Attorney: C. E. Heiligenstein, 30 Public Square, Belleville, Ill.

Claims against the estate may be filed in the office of the Circuit Court, Probate Division, County Courthouse in Edwardsville, Illinois, within 6 months from date of issuance of letters; and any claim not so filed is barred as to the estate inventoried within that period. Also, copies of claims must be mailed or delivered to the administrator and to the attorney.

WILLARD V. PORTELL, Clerk of the Circuit Court No. 66 34 4 23; 30 5 7

# Public Notice Third Judicial Circuit Madison County, Illinois

Notice is hereby given of the intended petition for change of name to be filed by Jasper Lytell Holten in the Circuit Court of Madison County, Third Judicial Circuit, Edwardsville, Illinois on the 25th day of May, 1979, wherein he seeks to change his name to John Lytell Holton.

JASPER LYTELL HOLTON

Attorney for Petitioner 1367 Niedringhaus Ave. Granite City, Ill. 62040 No. 36 34 4 9 16 23

# Madison band plans concert

The Madison Senior High School Band will present the third concert of the year Thursday, April 26 at 8 p.m. in the high school auditorium.

Senior band member, Michael Blackshire, will be featured in a novelty percussion number entitled, "The Worried Drummer."

Arrangements for the concert are made with the assistance of the Madison Band Parent's Club.

Selections on the program will include: "Fantasy For Band," "An Irish Rhapsody," "Studio One," "The Music Man" selections, "Three's Company," and many more.

The concert will be under

the direction of William F. Ledbetter. Admission is by season tickets or single admissions which are available at the door. Cost for adults is \$15, and for students, 50 cents.

On April 27, the band will leave for a two day trip, visiting the campus of the University of Missouri-Columbia. The students will be guests of the University band department.

The band will return home by way of Jefferson City, Mo., and will tour the state capitol and other points of interest. All expenses for the trip are paid for with money the band students have earned through various group projects.

# Annual police dance in Madison May 11

According to Officer Frank Page, the annual Madison Police dance is expected to again be a sellout.

Tickets are \$3 each and may be purchased from any Madison police officer or at the Madison Police department.

The dance is scheduled for Friday, May 11, in the Croatian Home, 1000 Madison Ave., Madison, beginning at 9 p.m.

Those attending may bring

their own liquor, if they wish. Set ups will be available.

Music will be furnished by "The Bob Kuban Brass."

Proceeds will be used by Madison Police Unit 110 for its activities. The police help sponsor numerous charity organizations such as the St. Louis Forgotten Children, Rape Prevention Clinic, and numerous local youth activities.

The Madison police have sponsored Explorer Post 10-4 for the past 10 years.

# Fight attracts crowd

A fight at 12:16 a.m. Saturday in the 3900 block of Kirkpatrick Homes attracted a crowd estimated at between 50 and 75 people, and resulted in the arrest of three persons.

Jerry Lee Ryan, 20, of 2219 Missouri Ave. was released on \$70 bond after being charged with disorderly conduct and resisting arrest.

Steve Robert Curless, 19, 2308 E. 25th St. was released on \$35 bond after being charged with disorderly conduct.

Ryan was allegedly arguing with a person in a car and police advised both to leave as a crowd was gathering.

The man in the car tried to drive away when Ryan

allegedly began striking the car and hit the driver through the car's open window. He was then placed under arrest and according to a police spokesman continued to try and break away from police.

Curless then approached the officers yelling that they could not arrest Ryan.

A juvenile girl also began screaming about Ryan's arrest. They were both arrested when they refused to leave the scene after being asked to do so by the police, authorities alleged.

The young girl allegedly fought police at the scene and at the station. She was charged with disorderly conduct and released to her parents.

# GC approves auditor

The Granite City Council has selected Curry, Lenhardt and Co., certified public accountants, to audit the city's financial books.

The auditing firm was the only one to answer the city's call for bids on the work.

The cost is not to exceed \$14,200, including \$5,000 for the town fund books, \$600 for the city pension fund, \$3,000 for revenue sharing, \$4,300 for the sewer funds and \$650 each for the police and firemen's pension funds.

In other business, the council voted a two hour parking limit on the east side of Grand Avenue from 29th Street for 224 feet toward 28th Street.

Alderman Fred "Pat" Schuman explained he asked for the time limit because his father's business is nearby and persons parking there for long periods of time have caused problems.

Studenard Lloyd Bailey requested and received a 30-minute parking limit on the east side of Madison Avenue for a distance of 40 feet.

Also approved were ordinances for stop signs on Terrace Lane at Cottage Avenue and Lindell Boulevard.

Salary increases for city employees who had negotiated their were approved by the aldermen effective May 1. It was noted the raises are automatic every year in the multi-year contracts and average about 8.5 percent this year. City appointees are not included in the current raises.

# Bid Notice

The City of Granite City will receive bids until May 1, 1979 at 10:30 a.m. at the City Clerk's office for the replacement of the city hall roof. This project to be done under Federal Revenue Sharing funds. Plans and specifications are available at the City Clerk's office at city hall or City Engineer's office, 2301 Adams Street.

ROBERT W. STEVENS, City Clerk No. 45 34 4 19 23 26

# Claim Notice State of Illinois In the Circuit Court Of The Third Judicial Circuit Madison County, Illinois

IN THE MATTER OF THE ESTATE OF DONALD M. SCOTT, DECEASED

No. 78-P-403

Notice is given of the death of the above.

Date Letters Were Issued: April 16, 1979.

Executor: Patricia A. Schmidt, 212 St. Christopher, Chokio, Ill.

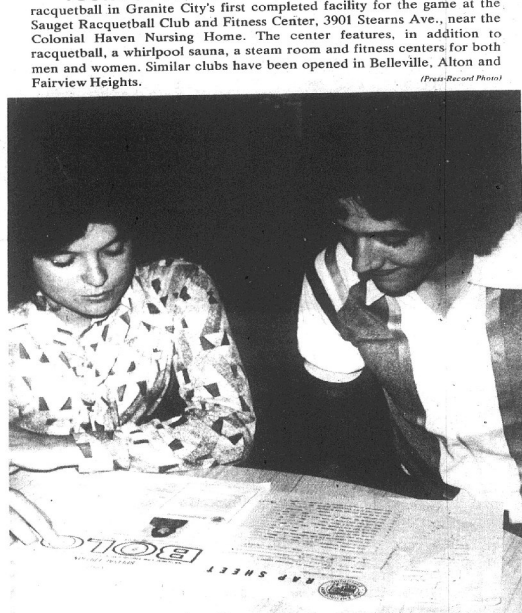

Attorney: William F. Kinder, P.O. Box 149, Granite City, Ill.

Claims against the estate may be filed in the office of the Circuit Court, Probate Division, County Courthouse in Edwardsville, Illinois, within 6 months from date of issuance of letters; and any claim not so filed is barred as to the estate inventoried within that period. Also, copies of claims must be mailed or delivered to the executor and to the attorney.

WILLARD V. PORTELL, Clerk of the Circuit Court No. 64 34 4 23 30; 5 7

YOUTHFUL PARTICIPANTS play an exhilarating game of racquetball in Granite City's first completed facility for the game at the Sauter Racquetball Club and Fitness Center, 3901 Stearns Ave., near the Sauter Haven Nursing Home. The center features, in addition to racquetball, a whirlpool sauna, a steam room and fitness centers for both men and women. Similar clubs have been opened in Belleville, Alton and Fairview Heights. (Press-Record Photos)

PRE-CONFERENCE BRIEFING. Julia A. Pierson, left, chairman of the National Association of Law Enforcement Explorers (NALEE) of Orlando, Fla., briefs Roger McFain, right, of Explorer Post 10-4 on the first NALEE conference to be held at Michigan State University July 24-29. McFain met with National Chairman Pierson last week in Orlando, Fla.

# Driver arrested Two new GC policemen

Mark C. Cline, 24, of 62 Parktowne West Mobile Home Park, was charged with careless driving after his auto allegedly struck a tractor-trailer on East 23rd Street at Lincoln Avenue at 1:30 p.m. Thursday.

A Granite City policeman alleged that Cline's auto crossed the center line of East 23rd Street and nearly struck the squad car, which had to swerve to avoid a collision.

The squad car then turned around and followed the other vehicle to Lincoln Avenue where it struck the tractor-trailer of Otis McNichols, Berkeley, Mo., officers reported.

Pete "Mike" Murgic, 23, and Robert Curt Walkenbach, 23, have been appointed new probationary patrolmen on the Granite City Police Department.

Both have served as police dispatchers for the department in the past.

Murgic is a life-long Granite City resident and graduated from Granite City schools and from Southern Illinois University at Edwardsville in 1976. He completed the BAC law-enforcement program in 1978.

He has served as a police dispatcher under the Manpower program since December of 1978. Former jobs were at Schermer Brothers and Kozyski's grocery stores and with John Fornaczewski Music where Walkenbach taught guitar.

He is married. Both new officers reside in Granite City.

He became an emergency medical technician (EMT) and has been with the ambulance service since that time.

Walkenbach also graduated from Granite City schools and from Southern Illinois University at Edwardsville in 1976. He completed the BAC law-enforcement program in 1978.

He has served as a police dispatcher under the Manpower program since December of 1978. Former jobs were at Schermer Brothers and Kozyski's grocery stores and with John Fornaczewski Music where Walkenbach taught guitar.

He is married. Both new officers reside in Granite City.

JOHN J. HARTUNG

# Scholarship to Hartung

Winners of Children of Veterans county scholarships in Madison County have been reported to Harold E. Briggs, regional superintendent of schools, who accepted applications for these scholarships last December.

Three scholarships are available in Madison County awarded primarily on the basis of scores made on American College Test examinations, with preference given to children of veterans whose veteran parent is deceased or disabled. They exempt the winners from tuition for a period of four years at the University of Illinois.

There were 19 applicants from Madison County. The winners this year are:

Child of veteran — World War I: No applicant.

World War II: John J. Hartung, 4005 Gaslight, Pontoon Beach; Matthew Mihelcic, Livingston.

# Symbols of his heritage

Symbols are important to many of us. They often represent those things that we hope to keep alive. They are the reminders of the people from whom we came.

Bob Pacheco, who lives in Granite City, is an American Indian. His past is rich in symbolism and tradition, though the glory days of his people have long since faded between the pages of the history books.

The customs and symbols that made his people a mighty nation live on, passed down from father to son, mother to daughter. Some of the most beautiful things that Pacheco holds dear came from his Shoshone

background. The Shoshone are known for their magnificent beadwork. Special events meant special clothing and the beadwork produced by the Shoshone created some truly beautiful costumes.

The beadwork in some of the traditional costumes is extensive, each design having a meaning pertaining to the Indian way of life. The costume was fashioned from deerskin, to which the beads were applied, sewn in one at a time.

Pacheco's cousin, Pete Pacheco, produces the same sort of beadwork that was made by his forefathers. He

does the work not for money, but to keep the art alive, as it was in his father's time and his grandfather's time.

Bob Pacheco received most of the pieces of Shoshone beadwork as gifts from his family. He is the first born son and as such, he will be the head of the Pacheco family when his father dies.

Pacheco and members of his immediate family are treated with great respect by the other members of the Pacheco family. There are special gifts whenever Pacheco takes his family to Brigham City, where most of the family lives.

Most of the Shoshone tribe

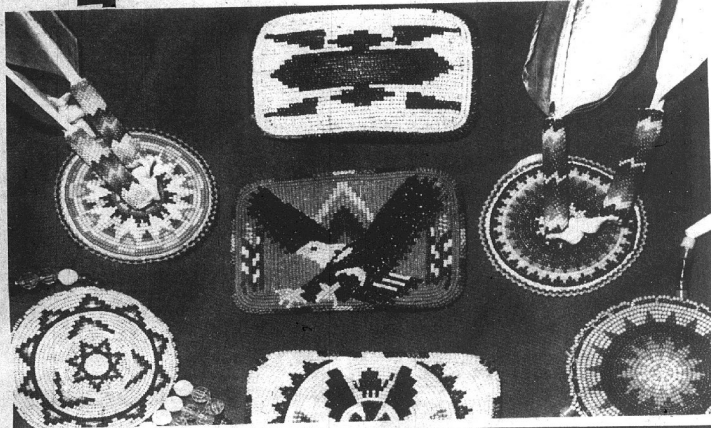

are of the Mormon faith, converted by Mormon missionaries more than a century ago.

Despite their conversion, the Shoshone keep their past alive in their beadwork. Besides the costumes, other things, including belt buckles, jewelry, head bands and toys are fashioned today in much the same way that they were made for hundreds of years.

The old and the new are combined in some areas. A little doll, dressed by Pacheco's mother in beads and crocheted yarn, won first place at the Utah State Fair.

Photos and story by Cathey Jamison

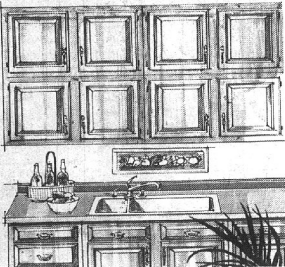

**BEAUTIFUL BEADWORK** is traditional among the Shoshone. Above, Bob Pacheco wears a beaded dancing costume. At the left, an assortment of belt buckles, feather holders and jewelry from Pacheco's collection. At right is the doll that won Pacheco's mother a blue ribbon at the Utah State Fair.

## 1,300 review education needs

Prominent authors and futurists in the field of adult education were among the 1,300 participants at the 1979 Commission of Adult Basic Education conference and the Illinois Adult Education annual conference held in Chicago.

At the four-day meeting, Duane Rankin, administrator of Venice-Lincoln Technical Center, South 4th Street, Venice, was named the first president of the newly formed Illinois Adult and Continuing Educators Association.

Attending several of the seminars, workshops and special activities from Venice-Lincoln center were Linda Svezia, Mary D. Scurro, Belva Ashford, Annie Price, Donna Dell, Felicia Jackson, Sandra Ratcliff, Nancy Hess, Pete Ponce, Al Delay, Dan Daniels, Patti Painter, Mike Butts, Lloyd Patterson, Mary McManus, Val Meyer and Janice Buie.

In honor of the adult educators and the significance of their work in Illinois, Governor James H. Thompson issued a state proclamation, declaring April 8 - April 14 as Adult Education Week in Illinois.

The proclamation reads in part: "While Illinois' educational system and special services have helped the majority of our citizens achieve to their fullest potential, there are those who unfortunately haven't obtained the basic educational tools they need to participate effectively in the working world."

Adult educators are concerned with helping those whose lack of sufficient education can cause difficulties in their lives. They

**DUANE RANKIN**

also offer instruction which includes leisure and interest courses for those who want to learn a new skill or expand their knowledge about their work so that they may move into higher positions.

"By giving citizens the instruction they need to reach the basic competency level, adult educators are not only assisting individuals, but also their communities. Those who pass the basic level of instruction are then ready to find good jobs and to tackle post-secondary education that may lead them to new, more productive and more rewarding lives."

Rankin said the objectives of the new association he now heads primarily are: To work for the improvement of adult and continuing education available to all people in the State of Illinois; to work to make adult and continuing education available to all people in the State of Illinois; and to stimulate the intellectual and professional growth of its membership including those who administer, teach, or provide support services in adult and continuing education.

In addition to the Illinois educators at the annual conference, were 450 members of the Adult Basic Educators of the National Adult Educators

Association, Rankin advised. Representatives from Florida, Rhode Island, California and many other states were present, including a 20-member delegation from Alaska.

Two widely acclaimed futurists were among the speakers at an awards luncheon and the opening general session.

Robert F. Bundy keyed the conference with an address entitled "Images of the Future: Adult Education and the 21st Century."

"Emerging Perceptions of the 21st Century" was the topic of David P. Snyder, futurist, at an awards banquet.

Other speakers included George Aker of Florida State University, William S. Griffith of the University of California, William O'Neil, Worcester State College and Theodore Provo, William Patterson College.

"Murder Without Clues," a directed reading training session, was presented in a workshop by Val Meyer and Sandra Ratcliff from Venice-Lincoln center.

Involved in another teaching workshop were Patricia Painter and Mary Donna Scurro from the Quad-City adult vocational center, whose subject was entitled "Realities of Entering the World of Work."

Other workshop leaders were from the University of Illinois, University of Nebraska, Waukesha County Technical Institute, Northern Illinois University, Universidad Popular (Mexico), DePaul University, Temple University, Ohio State University, University of California, Joliet Junior College, Louisiana Technical University, University of Texas, Illinois State University, Kansas City Public Schools, Michigan Department of Social Services and New York State External High School Program, among others.

Rankin served as general chairman of the 1979 conference.

## Siblings to see newborn

"Sibling visitors isn't a new outer space movie title, but it's the name of a new policy" at St. Elizabeth Medical Center," a spokesman reports.

The new policy will allow siblings, brothers and sisters of newborn infants, to visit their mother and new brother or sister while the mother and child are staying at SEMC.

The children may visit their new family member from 7 to 8 p.m. in the Obstetrics Solarium with their father.

"It's our way of introducing the new family member to the rest of the family," said Mrs. Elizabeth

Gramatas, RN, supervisor of OB.

The new babies are viewed by the children through the nurses' window in the OB Solarium.

Under the old policy, mother and child could be visited between 2:30 and 3:30 p.m. and 7 and 8 p.m. by the father and grandparents only.

All rules pertaining to the sibling visitors' policy will be posted in the medical center.

**MAD SCRAMBLE.** Plastic eggs filled with Easter goodies are the subject of a major search effort at the Wilson Park ice rink. As parents looked on, (above), a group of first graders was off and running. The youngsters carried containers of every size and sort, ranging from grocery bags to fancy baskets. As they approached the straw piles (right), the search began in earnest. Straw flew in every direction as the youngsters scurried from pile to pile, trying to come up with a prize-winning batch of eggs. The event was sponsored by the Granite City Park District.

From Collinsville, Carl Kerkemeyer, canoe float coordinator; and John Ansley, of Maryville, was officially seat.

**BURGLARY ON LYDIA**

A \$150 television set, a \$200 sound movie projector, a \$150 tape player, wristwatches valued at \$20 and \$25, a jewelry box and assorted jewelry, \$3 in cash and a pillow case are known missing after a burglary broken at 8:45 and 11 p.m. Thursday at the home of Robert Baumann, 3444 Lydia Lane. Glass in a door was broken to gain entry. A coffee maker was taken to the back patio and was dropped and broken.

## Pack 96 trail walk

Den three had the opening ceremony at the April pack meeting of Pack 96 of Maryville School. After the opening, Assistant Cubmaster Rich Howard conducted the business meeting.

It was announced that the pack would have a rummage sale May 5 and also, the pack will walk the Lewis and Clark trail at the May pack meeting.

Bob Glasgow gave out bobcat awards to the following: Eric DeWeese, Brook Marion, Brian Hopp, Steven Crider, Mike Wilkinson, Jeff Shaefer, Jeff Simpson, and Keith Hadcock.

After the awards, the cubs participated in a space derby. The rockets were assembled by the cub scouts and their fathers. The winners of the derby were: first prize, Jeff Schaefer; second prize, Brian Hopp; and third prize, Mike Wilkinson.

A special ceremony was held for the new Den 4, the members receiving their bobcat awards. Den 4 leaders Sandy Wilkinson and Hopp accepted the cubby awards for having the most parents at the meeting.

**CPR COURSE HERE TOMORROW**

A course in cardiopulmonary resuscitation (CPR) will be taught by Steve Missey, emergency medical services coordinator for St. Elizabeth Medical Center from 6:30 to 10:30 p.m. Tuesday at the Nameoki Recreation Center, Amos and Franklin avenues.

The Women's Division of the Tri-Cities Area Chamber of Commerce and the Rotary Ann are co-sponsoring the course.

**WOMAN IS BEATEN**

Mrs. Margie Gall, 181 Sunny Shores Mobile Home Park suffered a cut to her chin and several bruises when a man beat her in her home last week. She said the man also broke furnishings in the home and then left in a pickup truck.

## Record first-quarter A. O. Smith sales

A. O. Smith Corporation last week reported an improved profit margin and the highest first-quarter dollar sales and earnings in its history, it was announced by L. B. Smith, chairman and chief executive officer.

He said earnings for the three months ended March 31 were \$8,279,000, or \$168 per share, with sales of \$227,167,000 — compared with earnings of \$5,928,000, or \$1.21 per share, on sales of \$190,229,000 in the first quarter last year.

Higher unit sales in most product lines and operating improvements throughout the company led to the record performance in the first quarter, during which profits as a percent of sales improved to 3.5 percent from 3.1 a year earlier.

Smith emphasized that the higher profitability was due mainly to improved productivity and volume increases. Price increases were minimal, and well under the limits established by the federal guideline program.

In commenting on divisional performance, Smith said the Automotive Division had strong demand for both passenger cars and heavy-duty truck frames during the first quarter.

This division also had greatly improved operating performance compared with the first quarter last year, Smith said. A. O. Smith's Automotive Division is the nation's largest manufacturer of auto and truck frames.

Sales of A. O. Smith motors to the air conditioning and refrigeration market were up substantially in the first quarter compared with last year.

Part of the motor sales increase appears to be in anticipation of expiring labor contracts at several customer plants this summer, and part is inventory building for the spring selling season. Profits at the Electric Motor Division also increased during the

quarter, compared with last year.

A. O. Smith Harvestore Products, a subsidiary, had an exceptionally strong sales increase in the first quarter compared with a year ago. Livestock farmers are experiencing strong demand for meat and dairy products and also are enjoying generally improved price levels compared with the first quarter of 1978.

The record sales level at the subsidiary, which manufactures livestock feeding systems, resulted in a profit in the quarter, compared with a loss in the first quarter last year. A strike at the subsidiary's unloader manufacturing plant, which began Feb. 16, was settled April 9.

Unit sales at the Consumer Products Division, a major manufacturer of residential and commercial water heating equipment, were about level with the first quarter of last year but profits were down because of some non-recurring expenses.

Several other operating units and affiliates performed well during the quarter, adding to the record performance.

## BAC wins competition

Belleville Area College's Phi Beta Lambda chapter was virtually the clean sweep winner in competition at Springfield, taking first place in executive typist and executive secretary categories; second place in office procedures and data processing II and accounting I.

The group also received a third place award for the community service project (Phi Beta Lambda organized and supervised the March of Dimes in this area).

Winners Suzy Beyerndorfer and Nancy Reinhardt will represent Illinois in national competition in New Orleans in July. Jan Poston also will attend the conference since the first-place finisher in her field (office procedures) cannot attend.

Don Distler, BAC coordinator of data processing, is the group's sponsor.

**CANNABIS ARREST**

Henry P. Muyleart, 22, Washington Park, was arrested in the 1600 block of Garfield Avenue at 11:15 p.m. Thursday and was charged with possession of cannabis. Police alleged finding a bag of marijuana and a hash pipe in his possession. A 19-year-old Granite City youth with him was searched and released.

## Most can get aid for tuition

Area students who attend the Granite City, Madison and Venice extension centers for Belleville Area College classes should investigate the possibility of taking two courses rather than one for the fall, according to BAC financial aids director Lee Knoebel.

Only those students who are enrolled for college credit qualify for aid; however, some of those who take six credits may have all tuition paid by a federal grant, while those who take only three credits must pay their own costs.

Knoebel pointed out that some business courses which have been offered non-credit in the past will now be offered for college credit, making them eligible for tuition assistance.

Students taking typing and shorthand should enroll for two courses and apply for the Basic Grant (BEOG), Knoebel said.

Many employers reimburse students for courses that improve their job skills, and area residents should

check to see if their place of employment has an educational incentive plan, he suggested.

If a student investigates his eligibility right away, a determination of the financial aid available can be made before the deadline for fall registration, Knoebel said.

The financial aids office at Belleville Area College is open during all regular daytime hours, Monday through Friday, and until 7 p.m. on Monday and Tuesday or on Wednesday and Thursday, alternating weeks.

Knoebel explained that new federal legislation makes many more "middle income" families eligible for financial aid. In fact, he said, it is estimated that between 70 and 80 percent of all credit students will now be eligible for a Basic Grant.

Over 50 percent of BAC students are presently receiving some form of financial aid, and he expects the number to jump dramatically in the fall.
